

The Yun Family's Ninth Child is an Imp! Chapter 2001

“Qiaoyun, you were right to scold me. I have been too muddle-headed these past few days! “Hongxia and Hongyun, you can find someone to sell them. We can live a good life from now on.”As Mo Cheng spoke, he took out an ointment that reduced the swelling and gently applied it on Luo Shi’s face.

“Husband, what I said earlier was a little overboard. Don’t take it to heart. Our child is already so old, so I will naturally be thinking of you wholeheartedly. Besides, our Luo family and the Mo family are in-laws. How could we really destroy the Mo Family?”

Luo Shi felt pleased. Her father was right. Only when her family gained power would she be able to make decisions in other families. In the future, once the Mo family declined, he would not dare to act recklessly.

After the two applied ointment on each other’s swelling, Luo Shi probed, “Darling, what is Father’s plan? Will Fangcao marry into the Zhao family or not?”

“Father did not say. However, she will most likely marry into the Zhao family. If I can’t count on her, would she dare to go against the Zhao Family?”Although Mo Cheng was still unhappy with Luo Shi, he did not dare to express it.

Luo Shi rolled her eyes and said, “Darling, once Fangcao marries out, no one will be able to manage the seven-star lucky card business. Fangcao belongs to our second branch, so it’s only natural that you take over. Run to father’s side more often. Don’t let those two branches take away the fat meat.”

“Qiaoyun, what you said makes sense. I will pay attention to it. From what I understand, the seven-star lucky card should belong to our second branch.”

“Darling, for the seven-star Lucky Card, you can just go along with what father-in-law says from now on. I will pretend to be angry and go back to the Luo family. On one hand, I will make father-in-law feel more satisfied with you. On the other hand, I will also go back to the Luo family to investigate the situation.”

Mo Cheng naturally agreed without hesitation. As such, Luo Shi returned to the Luo family with a sorrowful expression.

Hearing the conversation between Xiao Hei and Mo Cheng, Yun Chujiu could not help but sneer. Mo Cheng was indeed a soft-hearted person. How could he be intimidated by Luo Shi so easily.

Second Elder Zhao and Zhao Lizhi were currently attending a banquet at the Luo family home. Luo Pingsheng and his two sons were treated to good food and drinks. Everyone was chatting and laughing merrily.

Luo Pingsheng was extremely pleased with himself. He had planned this move for several years, and now he was finally going to achieve his wish. How satisfying!

Mo Xiaoting, that Old Fogey, always had a high and mighty look on his face. He really wanted to see the way he would wag his tail and beg for mercy when he fell into the dust!

Luo Yan was a woman's wife, so she naturally would not attend a banquet like this. She was currently chatting with Luo Shi.

"Auntie, that Mo Fangcao is so lucky! That B * Tch has caused me so much suffering. I originally planned to find an opportunity to tie her up and sell her to the Cauldron Hall. Letting her marry into the Zhao family just like that is too good for her."

"Silly Lass, do you think the Zhao family is a good place to go? Mo Fangcao will definitely suffer unspeakably in the days to come. To dare offend our Luo family's young lady is simply courting death."

"Auntie, although that's what you said, I'm still unwilling to see the tragic state of Mo Fangcao with my own eyes!!" "Tell me, if the Zhao family finds out that Mo Fangcao isn't intact, will they torture her even more?" Said Luo Yan viciously.

Luo Shi was alarmed. "Yan 'er, quickly give up on this idea. The Zhao family isn't someone our Luo family can afford to offend."

Luo Yan pouted her lips and said indignantly, "Alright then. However, back then, Mo Fangqin also beat me up. In that case, I'll kidnap her and sell her to the Cauldron Hall. Don't tell me you can't bear to part with her?"

“She’s just a daughter-in-law. You can do whatever you want with her. I’ll find an opportunity to help you get her out of the Mo residence. After that, you can do whatever you want with her.” Since she had dealt with the daughter-in-law and fawned over the Luo family, why not.
