

The Yun Family's Ninth Child is an Imp! Chapter 2002

At this time, Yun Chujiu's sinister laughter could be heard from inside Mo Xiaoting's study room.

Hei Shi, who was in charge of keeping watch outside, was so frightened that he trembled. Although he had not been with Yun chujiu for too long, he knew that every time his little ancestor laughed like this, someone would be in deep trouble!

Inside the room, Mo Xiaoting's expression froze. Could it be that Fang Cao was going crazy from the shock? Why was she giggling the moment she entered?

"Fang Cao, Are You Alright?"

"Grandfather, I'm fine. I've thought of a good idea,"yun chujiu smiled sinisterly as she activated her black lotus.

"Good Idea? What Good Idea?" Mo xiaoting was depressed. Hearing Yun Chujiu's words, he finally regained some of his energy.

"To sow discord between the Zhao and Luo families,"Yun Chujiu said slowly with a smile.

Mo Xiaoting's eyes lit up and he sighed, "Fang Cao, this is a good idea, but the Zhao and Luo families are on good terms. How are we going to sow discord?"

"Grandfather, if second elder Zhao is the only one here, it won't be easy to deal with him.". However, Zhao Lizhi was a lecherous man. If he and Luo Yan were to get together, what would Luo Ping Do? Would he let Luo Yan marry Zhao Lizhi or kill him?"

"Great! Fang Cao, this is a great move!" Mo Xiaoting's expression brightened. As long as this was done, the Zhao and Luo families would definitely have a grudge against each other. At that time, the Mo family would have a chance to take advantage of this.

"Grandfather, this is only the first step of a series of schemes. The second step is even more crucial."

"A series of schemes? What is the Second Step?"

"Kill Zhao Lizhi and frame Luo Yan," Yun Chujiu's face was full of smiles, but the words she said were filled with flashes of knives and swords.

"What? Kill Zhao Lizhi?" Mo Xiaoting jumped to his feet in shock.

“Grandfather, I know what you’re worried about, but there’s no turning back now. Either the Zhao and Luo families will be destroyed, or the Mo family will be destroyed.”.

With Zhao Lizhi’s death, second elder Zhao would definitely fly into a rage. He would either have a conflict with the Luo family or ask them to hand over Luo Yan.

“No matter what, with Zhao Lizhi’s death, this marriage will be put on hold. This will give us some time to catch our breath and we can continue to plan our next move.”

Mo Xiaoting was stunned for a while. He was already shocked by Yun Chujiu’s meticulous thinking. With Zhao Lizhi’s death, this game of chess had turned into a chaotic battle. Winning in a chaotic battle was simply too exquisite.

“Grandfather, the key to this matter is that the method of framing must be exquisite and there mustn’t be any big flaws. Time is of the essence. We have to make our move the night after tomorrow at the latest.”.

“Grandfather, now is the most urgent time. So, you shouldn’t hide anything and reveal all your trump cards. Even if you have to pay a heavy price, you have to do it well.”. Otherwise, we will make things worse and the consequences will be unimaginable,”yun chujiu said with a serious expression.

Mo Xiaoting was silent for a moment, then, he gritted his teeth, “Fang Cao, I have a shadow escape talisman in my hand. This talisman was left behind by my ancestor and I have never been willing to use

it. After the Shadow Escape Talisman is activated, it has an invisibility effect. It lasts for two hours and even a cultivator of the ninth layer of the Ling Xuan realm will not be able to discover it.”

Yun Chujiu’s eyes lit up. This was a good item. It seemed to be an upgraded version of the concealment talisman.

“Fang Cao, who do you think is the best candidate? This candidate is extremely important. Because of the shadow escape talisman, the level of spiritual power is secondary. We need to be smart and quick-witted,” Mo Xiaoting asked.
