

The Yun Family's Ninth Child is an Imp! Chapter 2006

Second Elder Zhao saw so many spirit stones., his expression softened a little, "Your Luo clan is considered lucky. My elder brother's concubine is about to give birth, so you should pray that she gives birth to a son! Otherwise, even if I speak up for you again, I'm afraid that my elder brother Will Destroy Your Luo clan."

"Yes, yes. No matter what, thank you very much!" Luo Pingsheng wiped the cold sweat off his forehead. He knew that even though second elder Zhao said this, it was highly unlikely that he would really destroy the Luo family. He just had to give up his wealth.

Second elder Zhao left Feng Li city overnight with Zhao Lizhi's body. Luo Pingsheng ordered for Luo Yan to be locked up in the courtyard. No one was allowed to visit her.

The next morning, Mo Xiaoting came to visit!

"Master Luo, I'm here to see second elder Zhao. Didn't you say that you were going to marry Fang Cao today? Our Mo residence has already made preparations. Why is there no sign of the Zhao Family?" Mo Xiaoting went straight to the point.

Luo Pingsheng's expression was ugly, "Second elder Zhao has returned to Jianfeng city for an urgent matter. Just wait for his news. We still have some matters to attend to. Please do as you wish."

Mo Xiaoting looked at Luo Pingsheng suspiciously, "The Zhao family has left? What's going on?"

Luo Pingsheng was frustrated and did not have the mood to deal with Mo Xiaoting, "If you want to ask, go ask the Zhao family. Send them off!"

Mo Xiaoting scoffed, "Luo Pingsheng, good, good. You've really turned hostile!"

After speaking, Mo Xiaoting stormed off angrily!

It had to be said that Mo Xiaoting's acting was quite good. Luo Pingsheng did not suspect that the Mo family had anything to do with this.

After returning to the Mo family home, Mo Xiaoting laughed for a full 15 minutes in the study room, "Wonderful! Wonderful! Wonderful! Fang Cao, well done!"

Yun chujia blinked her eyes, "Grandfather, don't be too happy yet. Although things are progressing smoothly, the crisis hasn't been resolved yet."

Although Zhao Lizhi was dead, the Zhao family still had other males. After Zhao Lizhi's mourning period was over, the Zhao family would definitely come knocking on their door and ask for his hand in marriage.

“Moreover, since the Zhao family didn’t fall out with the Luo family yesterday, it’s likely that the Zhao family won’t do anything to the Luo family. At most, they will just compensate us.”

Mo Xiaoting nodded, “You have a point. What should we do next?”

“The Luo family must be facing internal and external problems. They are in chaos. Immediately, spend a large sum of money to recruit guards and eliminate the Luo family.” “After annexing the Luo family, even if the Zhao family wants to seek revenge, we still have the power to fight them. Not to mention, we have the geographical advantage.”

Yun Chujiu’s eyes darkened. It was finally time to close the net. Luo Shi, you caused me to be separated from my family and friends. I will let your family die with you!

Mo Xiaoting was silent for a moment before he gritted his teeth and said, “Fine! We will do as you say! What else do we need to prepare?”

“When the time comes, the Zhao family will most likely use the talisman supply to threaten other families and get them to help us. So, we need to secretly recruit Talisman Masters. If we can’t do it, we will have to pay a high price. As long as the money is in place, we will definitely be able to recruit them.

“Lastly, we must not let my uncle and the others know about what we are doing, especially not my father. Otherwise, it will be easy for all our efforts to go down the drain!”

Mo Xiaoting’s face was burning with anger. He raised both his hands and feet in agreement with Yun Chujiu’s words. The three idiots weren’t good enough to do anything, they were more than good enough to ruin everything. If they knew about this, they would only ruin everything.

After Yun Chujiu and Mo Xiaoting finished their discussion, they hopped back to Tinghe Xuan. As soon as they entered the house, they saw di beiming staring at her coldly with his dead fish eyes.
