

The Yun Family's Ninth Child is an Imp! Chapter 2007

Di beiming received the news from an Feng that Yun Chujiu had actually agreed to the Zhao family's marriage and even wantonly bought wedding clothes. He was so angry that he could not find his bearings!

Although Yun Chujiu had previously told him that even if there was a marriage contract, it would be fake and she would resolve it, he still rushed over day and night. If he wanted to snatch his wife, he was simply courting death!

Of course, what he did not know was that his little black lotus wife had destroyed that so-called "Fiancé" within minutes..

When Yun Chujiu saw di beiming, her heart was filled with joy. However, when she thought of the voice transmission talisman from the last time and saw di beiming staring at her dead fish eyes, her little face sank.

"Oh my, isn't this someone who abandoned me? which demonic wind blew you here?"Yun Chujiu crossed her arms and leaned against the door, pouting as she said.

Di beiming had already thought it through. The black thing was forced. If she explained properly, he would not bother with her.

Who would have thought that Yun chujiu's mouth would be filled with guns and sticks. His expression became even darker.

"I abandoned you? Didn't you already agree to someone else's marriage? I heard that you even bought wedding clothes. Are you complaining that I came at a bad time?"

"Nonsense! Who Did you hear it from?" Yun Chujiu's heart skipped a beat. How did the Gigolo Know About My Matters? Could it be that he had arranged a secret guard by my side?

"HMPH! I naturally have a way to know what I want to know. Stop changing the topic. Shouldn't you explain it to me?"

"Explain your head! You only know how to be jealous all the time! I was forced to do that, okay? Do you think I want to be related to a bastard? You still have the nerve to question me?"

Who came here in the middle of the night to break up? Who was the one who was like a wooden stake all the time? Who was the one who threw his face at me all the time? Pretty Boy, ask yourself, what right do you have to question me?"

Yun Chujiu's eyes turned red as she spoke. Although she was independent and strong-willed, she still felt weak and wronged in front of the people closest to her.

Di Beiming saw that Yun Chujiu was about to cry and immediately became numb. He threw all his anger and face to the back of his mind. He jumped in front of Yun Chujiu and hugged her in his arms. He said clumsily, "I didn't say anything. Why are you crying?!"

Yun chujiu cried out, "What else do you want to say? You Don't trust me, you bastard! You only know how to be jealous all the time!"

"I, I, it's not that I don't trust you, I'm just angry! I'm angry at myself. If I'm strong enough, I can protect you. We won't have to suffer separation. It's all my fault that I'm too weak."

Di Beiming's eyes were filled with heartache and guilt. If he was strong enough, why would little jiu need to plan step by step? It was all because he was too weak.

Yun chujiu was definitely a snob. When she saw di Beiming's heartache, she immediately pinched and hammered him, "You gigolo, you say it well, but every time you stare at me with dead fish eyes to scare me..."

Before Yun Chujiu could finish her words, she heard di beiming grunt. Then, fresh blood oozed out from his chest.

"Are you injured?"

Yun chujiu was shocked and quickly took off di Beiming's shirt. There was a gaping wound on di Beiming's chest and he was bleeding profusely.

Not only that, his body was full of wounds, some were deep and some were shallow. It was obvious that he was injured profusely..
