

The Yun Family's Ninth Child is an Imp! Chapter 2008

Yun Chujiu hurriedly took out a pill to stop the bleeding from her storage ring and fed it to di beiming. Then, she sprinkled some powder on the wound.

“Are you stupid? Why aren't you applying the medicine?” Yun chujiu was so angry that she gritted her teeth and asked fiercely.

“I was in a hurry when I rushed here. I didn't have time to take care of it. Besides, I'm already used to it. I'll be fine in two days.” Di beiming said casually.

“You bastard! Do you know that you're Mine? ! Your body is mine too! How dare you not cherish it? Let me tell you, if you really leave a scar all over your body, I won't have sex with you!”

Yun chujiu wiped her tears and said. This guy was very distressed. Di beiming had so many wounds on his body, which meant that he was in an extremely dangerous situation.

Di beiming used his hand to gently wipe Yun Chujiu's tears away. “I'm really fine. Ever since I fainted and woke up, my body has changed. This little injury can't do anything to me.”

Yun Chujiu's heart moved. “You fainted? When did this happen?”

Di beiming saw that he had let the cat out of the bag, so he couldn't hide it anymore. Hence, he simply told her what had happened.

That day, after Yun Chujiu was taken away by manager Xia, Di beiming spat out a mouthful of fresh blood in a fit of rage, and then fainted.

Di Linhan and the others were badly frightened. They fed the pills and injected their spirit energy, but there was no effect at all. Di Beiming's face had been as pale as paper, and his pulse had become extremely weak.

The hall master's wife had been washing her face with tears all day long. When the old man of the Heaven Lake heard the news, he also rushed over and fed di beiming the remaining level 15 hun dun vitality pill.

After taking the pill, although di beiming did not wake up, his pulse became stronger. Everyone let out a sigh of relief.

However, the old man only had one Hun Dun Life Pill, so everyone was helpless again.

A month later, when the entire longevity palace was shrouded in a golden light, di beiming opened his eyes.

At that time, an Feng was guarding di Beiming's bedroom, and he was directly knocked out by the surging spiritual power in his body.

After di Beiming helped him channel the spirit energy in his body, the spirit energy of an Feng, who had been unlucky for ten thousand years, had jumped from the sixth level of the Supreme Spirit Realm to the ninth level of the profound spirit realm. When this fellow woke up, he almost went crazy with joy.

The people in the temple of Immortals had more or less increased their spirit energy, but it was not as obvious as an Feng.

When di Linhan and the palace master's wife saw that di Beiming had woken up, they were naturally overjoyed, but they immediately realized that di Beiming had changed.

His appearance was still the same, but his entire aura had become even colder, and even carried a hint of coldness. With just a glance, one would feel a sense of reverence from the bottom of one's heart.

Coincidentally, Xue Wuji had rushed over when he heard the news that Yun Chujiu had been taken away. This fellow did not know that di Beiming was no longer the same as before... , the first thing he did was to curse: "You facial paralysis! You Useless Thing! I entrusted Little Sister Jiu to you, yet you didn't protect her properly! "If I knew this would happen, I would have brought little sister Jiu to our blood devil sect, you piece of trash!"

Di beiming frowned and waved his hand. Xue Wuji, who was unprepared, was sent flying. He spat out a mouthful of blood and fainted.

When everyone saw this, they quickly went forward to dissuade him. Di beiming only said two words indifferently, "Trash."

At this moment, the welcoming light from the immortal essence continent descended. Di beiming dragged an Feng and directly stepped into the welcoming light. When he saw the hall master's wife who was crying, he frowned and calmly said, "Take care." After that, he didn't say anything.
