

The Yun Family's Ninth Child is an Imp! Chapter 2009

An Feng, who was originally extremely excited, was now flustered!

This was because he was so unlucky that he did not expect to go to the immortal Yuan continent after his spiritual power had increased. Everything else was fine, but if he left, wouldn't he not be able to see Miss Jin Zhi? !

Just before he was teleported, this fellow finally mustered up his courage and shouted loudly, "Jin, Miss Jin Zhi, I will wait for you in the Immortal Yuan continent. I will always be waiting for you!"

As soon as an Feng finished his words, the guiding light disappeared, and di beiming and an Feng also disappeared.

The heavy sadness of parting was instantly washed away by an Feng's stroke of genius. Almost everyone turned to look at Jin Zhi.

Although Jin Zhi was outgoing and cheerful, no matter how cheerful she was, it was still very uncomfortable to be confessed to in public, okay? Besides, an Feng was an idiot. If you confessed, then confess. Why did you have to add the word 'miss' after Jin Zhi? It was very awkward, okay? ! !

After di beiming and an Feng arrived at the immortal Yuan continent, they started to search for information about Yun Chujiu. Then, the incident from a few months ago happened.

Yun Chujiu's heart was suddenly in pain as Di beiming told her the story. She remembered that when she left, she did hear the hall master's wife's exclamation. At that time, she thought that she was hallucinating, she did not expect the pretty boy to vomit blood at that time.

Yun chujiu hugged di beiming's waist and sobbed, "Prince Charming, I did not know that you fainted. Otherwise, I would have thought of a way to delay for a period of time before leaving."

Di beiming stroked Yun Chujiu's hair and said, "Am I not fine now? It can be considered a blessing in disguise. Otherwise, based on my original cultivation progress, I would still need at least a year to see you."

Yun chujiu wiped her tears and snot with di Beiming's sleeve and asked with a sobbing voice, "What is that Golden Light? Why are you emitting it? You are not made of gold."

Di beiming saw the mess on his sleeve and the corner of his eyes twitched, he resisted the urge to push Yun chujiu away and said, "I don't know the details. It seems to be a seal in my body. Little Jiu, I can't figure out some things right now, so I can't tell you. I'll tell you when I've figured things out."

Yun Chujiu had a great advantage, and that was that she was tactful. She saw that di beiming didn't want to talk too much, so she changed the topic, "Brother Wu Ji is also concerned about me. Why did you hit him? Besides, it's okay to hit him. Why did you hit him so hard?"

Di Beiming heard Yun chujiu say, "Beating him up is fine too." The corners of his mouth curled up, "That idiot is too weak. I'm helping him by beating him up. I believe that he will soon ascend to the immortal Yuan continent. When that time comes, be it helping me or protecting you, it's a good choice. Although he's stupid and useless, he's still not bad."

Yun chujiu immediately said happily, "Really? Brother Wu Ji is coming soon? That's great! It would be even better if beauty Jin Zhi could come too."

Hearing Yun Chujiu's words, the corners of di Beiming's mouth twitched slightly as he said, "Jin Zhi should be coming soon too."

"Jin Zhi's spiritual power is not as high as mine. How could she also ascend soon?" Yun chujiu asked in puzzlement.

It turned out that although an Feng and Jin Zhi had not broken through that layer of window paper, the two of them still had frequent interactions. On the same day, Jin Zhi picked some fruits to give to an feng. Just as she walked out of di Beiming's courtyard.., she was knocked out by the sudden golden light.

This guy had gotten a blessing in disguise. After he woke up, his spiritual power level had directly jumped to the ninth layer of supreme spirit realm.

However, because he had leveled up too much at once, he needed to stabilize himself for a period of time before he could continue cultivating. He estimated that it would not be long before he could also ascend.
