

The Yun Family's Ninth Child is an Imp! Chapter 2010

After listening to di Beiming's story, Yun Chujiu was so happy that she could not close her mouth. Then, she pouted and became unhappy.

"F * ck! After all this time, am I not the weakest? Initially, Jin Zhi was at the bottom. But now, they have all leveled up because of you. I am the weakest."

Di beiming was about to comfort her when he heard Yun chujiu continue, "But, it's nothing. Stupid birds fly first! Someone as powerful as me can definitely catch up later!"

Di beiming..

"Little jiu, turn around. I need to change my clothes." Di beiming saw that his clothes were not only stained with blood, but Yun Chujiu's Snot and tears were also on his sleeves. He felt really uncomfortable, he was ready to change into a clean set of clothes.

Yun chujiu pouted, "So what if I can peek? Besides, it used to be interesting. Now that there are scars on it, I can't be bothered to look! Just change. I promise I won't Peek."

Di beiming had no choice but to turn around and change his clothes with his back facing Yun Chujiu.

Yun chujiu, this fellow, peeked openly. At first, she was teasing him, but when she saw that di Beiming's back was also covered in scars, her eyes turned red.

Damn it!

I'm too weak now. If anyone dares to bully my man, I'll kill him!

No, after the Luo and Zhao family's matters are settled, I must find an excuse to go out and train. Otherwise, how long will it take for me to become stronger? !

When di beiming changed his clothes and turned around, he saw Yun Chujiu's eyes were as red as a rabbit's. Before di beiming could speak, Yun Chujiu threw herself into his arms and cried again, then, she used di beiming's sleeves as a handkerchief.

Di beiming did not have the time to care about his clothes getting dirty again. He asked anxiously, "Little Jiu, what's Wrong?"

"Sob, I'm too useless! I'm too useless! I Can't fight with you side by side and you have to worry about me. I'm just a burden..."

“Idiot, I’m Useless! It’s natural for a man to protect a woman. I Can’t protect you well, I’m useless.”

“No, I’m useless. I’m useless. I’m even worse than Jin Zhi. I’m useless...”

The corner of di Beiming’s eyes twitched. He didn’t know if Jin Zhi would vomit blood from anger when she heard Little Jiu’s words.

Di beiming comforted her for a long time. However, Yun Chujiu probably had too many tears recently, so she cried endlessly. Moreover, she even cried in a cadence.

Di beiming really had no choice. He simply stuffed her mouth with his lips.

Finally, it was quiet..

After a long while, di beiming finally let go of Yun Chujiu.

“HMPH! Pervert! You only know how to take advantage of me!”Yun chujiu muttered with a red face.

Di Beiming's heart was agitated again. He wanted to tear her apart and eat her right away, but he could only think about it.

The two of them lingered for a while more before di beiming said, "Little Jiu, why don't I help you kill the people from the Luo and Zhao families? That way, you'll be able to relax a little."

Yun chujiu shook her head. "Prince Charming, I'll do it myself. It's not that I'm being pretentious. I'll only be happy if I can take revenge myself. Furthermore, I have to make use of these two families to stir up some trouble."

Di beiming saw that Yun Chujiu's attitude was firm. Moreover, he knew that she had many ideas. Hence, he had no choice but to give up on the idea of starting a massacre.

"Do you have any pills with you?" Yun chujiu thought of a crucial question.
