

The Yun Family's Ninth Child is an Imp! Chapter 2012

At first, Yun Chujiu was listening to him attentively, but when she saw di Beiming's endless speech, she was a little distracted.

The scene of him peeking just now flashed in her mind. Although the gigolo's body was full of wounds, it was still very pleasing to the eye. It was really a big loss for him to sneak a few times just now..

Di beiming rambled on for a long time, and then he saw a wretched smile on Yun Chujiu's lips. He glared at her angrily. "Little Jiu, what are you thinking about?"

"I was thinking that you should have taken off your pants just now so that I could see the whole set..."the gigolo realized that he had let the cat out of the bag, he laughed dryly. "Hehe, Hehe, Prince Charming, don't be angry. Everyone has a heart for beauty!"

Di beiming took a deep breath and said, "Take care of yourself."After he left the room, he disappeared in a few flashes.

Yun chujiu pouted. What a blockhead. Normally, shouldn't she take off her clothes and let me touch her? !

Xiao Heiniao said weakly, "Master, if what you said is not normal, okay?"

“Shut up! You still have the face to talk about me? You talk about the three of you, Ah, no, the four of you are each weaker than a chicken. Their spiritual pets are awesome and lightning-fast. Look at you guys, all of you are bragging about immortal beasts and exotic beasts, but in reality? How are you all powerful? Aren’t you guys always using the light of my leveling up to level up?”

Xiao Heiniao was immediately rolled his eyes at the other three. Don’t You Think You owe us? ! This is great! We are all being ridiculed by our master because of you!

Xiao Heiniao glared at him and defended himself, “Master, you can’t blame us. After all, we are all spiritual beings from an extraordinary background. Can we be like those coquettish beasts? “Our lifespans are very, very long, so we are only like human babies now. Tell me, can you ask too much of a baby?”

“You DUMBASS, do you still have a point? ! From today onwards, your food will be halved!” Yun chujiu was in a bad mood, so Xiao Heiniao bumped into the muzzle of the gun.

Xiao Heiniao glared at her and did not dare to say anything. It felt that if it continued to talk nonsense, not only would its food be halved, it would also be beaten up.

Sigh, I’m also very worried, okay? ! I also want to become an awesome lightning, okay? But isn’t this taking things slowly? Could it be that I can become a fat bird in one bite?

After Yun chujiu scolded Xiao Heiniaoy, she went to Qing Zhi and Qing Liu's house. As expected, the two maids were unconscious. They were probably knocked out by di beiming.

Yun chujiu could not help but complain. This gigolo was either knocking on the door or knocking on people. However, she could only knock them out. Otherwise, the gigolo would be exposed.

Yun Chujiu woke up Qing Zhi and Qing Liu. Both of them looked baffled. What was going on?

"Forget what happened just now. Nothing happened. Do you understand?" Yun Chujiu said with a dark face.

Qing Liu and Qing zhi naturally did not dare to object. They obediently nodded and agreed.

Yun Chujiu went to Mo Fangqin's house again and Woke Mo Fangqin up. She said the same thing.

Mo Fangqin was very sensible. She didn't ask anything. Instead, she said, "Big sister, what did grandfather say? Why didn't the Zhao family come to marry you?"

Yun chujie curled her lips. "I heard that the Zhao family went back to Jianfeng city overnight. Don't you think it's a coincidence?"
