

The Yun Family's Ninth Child is an Imp! Chapter 2014

For a period of time, the Mo residence returned to its usual calm. In reality, Mo Xiaoting had secretly recruited quite a number of bodyguards, but they were temporarily stationed in another town.

Mo Xiaoting found an excuse and did not allow Mo Cheng and Luo Shi to return to Jin Chuan City. Mo Cheng was staring at the seven star Lucky Card, so he naturally couldn't wait for it.

That day, Mo Cheng followed Mo Peng and Mo Chang out for a drink and did not return to the Mo residence that night.

Although Luo Shi was unhappy, she was already numb to such matters. So, she turned off the lights early and prepared to go to bed.

At this moment, the bedroom door opened.

Luo Shi thought Mo Cheng had returned and said angrily, "You still know to come back? I thought you were bewitched by the Little Vixen!"

The person did not say a word as he walked straight to the window and called out, "Qiaoyun, it's me!"

Luo Shi's heart jolted as she looked up at the person. "Hua Lang, it's You? You're back?"

The person hugged Luo Shi and without a word, he began to touch her.

After a round of intimacy.., Luo Shi could not help but grumble, "Hua Lang, you are too gutsy! Why did you directly enter the Mo Residence? What if you were discovered? Besides, Mo Cheng isn't in the residence today. It would be terrible if he were to bump into you."

"HMPH!"! Qiaoyun, things are different now. I do not think much of the tiny Mo residence. Besides, I only came here because I saw Mo Cheng go to the cauldron, cauldron, and Hall. Qiaoyun, it's been so many years since we last met. You are still as moving as ever. I really missed you to death."

"HMPH, that's a nice way of putting it. Since you missed me, why haven't you heard from me for so many years? Fanghua and Jun Chen are already so old. Why didn't you say that you would come back to take a look?" Said Luo Shi angrily.

boxnovel.com

"Qiaoyun, look at what you're saying. That's my flesh and blood, how could I not miss it? It's just that back then, your father thought that I was a poor kid with no ability, so of course, I had to live like a human before I could come back."

Luo Shi was delighted when she heard this, "Hua Lang, from what you've said, are you very powerful now?"

“Qiaoyun, by chance, I found a cave abode that contained elixirs left behind by ancient cultivators. After I ate them, I had my essence cleansed and my spiritual power continuously increased. I’m already at the sixth level of the Ling Xuan Realm.”.

“That Old Bastard Mo Xiaoting is only at the fifth level of the Lingxuan realm. Tell me, who do you think I’m afraid of?”The man could not help but feel proud of himself. He had returned home in glory.

“Hua Lang, is what you said true? That’s great! “It just so happens that the Luo family wants to destroy the Mo family. When the time comes, you can lend us a helping hand. My father will definitely look at you in a new light. When that time comes, the four of us will be reunited,”Luo Shi said excitedly.

“Then what about Mo Cheng? Are you willing to part with him? Back then, you abandoned me because of him,”said the person unhappily.

“Hua Lang, I was also forced by my father back then. Furthermore, I was already pregnant at that time. If I did not marry Mo Cheng, how would I be able to face the world? !”!

Besides, didn’t we still find a chance to be together later on? If not, where would Jun Chen come from.

If, if you find me to be a ruined woman, I won’t say anything. You, you can leave!”Luo Shi said with a feigned grievance.

“Qiaoyun, look at you. I’m just saying this. I’m afraid you won’t be able to bear to part with Mo Cheng. After all, you have lived together for so many years. In My Heart, you are the only one. If not, I wouldn’t have been unable to form a family for so many years.”

When Luo Shi heard that person say that, her tears turned into a smile. As the two conversed, they huddled together again.

On the other side, Yun Chujiu, who was listening to Xiao Hei’s live broadcast, was first taken aback before she rolled on the bed laughing. Hahaha, what retribution!

Mo Cheng had actually been cuckolded! And it was the kind that was green!
