

The Yun Family's Ninth Child is an Imp! Chapter 2016

An Feng said a few more nice things, and Yun chujiu snorted, "Forget it. I've always been able to support a ship with my stomach. I Won't lower myself to your level."

An Feng's mouth twitched. Won't lower myself to your level? I'm about to spit out white foam!

"Little Lunatic, I Have Something I need you to do. If you can do it well, I'll completely forgive you,"Yun Chujiu said with a smile.

"Miss Jiu, what do you want me to do?"An Feng asked nervously. Could this little ancestor be up to something again?

"Don't worry, it's not a difficult thing. Control this person and don't kill him. Just keep him alive. I will be useful in a few days."Yun chujiu handed Zhang Hua's portrait and the topographic map to an Feng.

An Feng took it and looked at it. "Miss Jiu, what's his cultivation level?"

"At the sixth level of the Lingxuan realm, you should have no problem dealing with him, but to be on the safe side, I'll send you a few helpers."Yun chujiu rolled her eyes. It was not bad to let Hei Shi and the others meet an Feng, it could intimidate them and prevent them from wavering.

Zhang Hua was still dreaming of wiping out the Mo family and reaching the peak of his life. Who would have thought that he would already be targeted by Xiao Sha.

An Feng's cultivation was already higher than Zhang Hua's. With the help of Hei Shi and the others, it didn't take much effort to capture Zhang Hua.

After Yun Chujiu received the news, she hopped over to look for Mo Xiaoting.

"Grandfather, the time is ripe. There's no time to lose. Let's do it tonight!" Yun Chujiu's eyes were filled with excitement. She was really looking forward to seeing her scumbag father suffer a huge blow!

Mo Xiaoting knew that there was no turning back now, so he did not have any objections. He discussed the details of the operation with Yun Chujiu and then sent people to gather the recruited guards and infiltrate Feng Li City.

The next night, the Luo family suddenly erupted into flames and shouted for everyone to die.

Luo Pingsheng's face turned pale with fright. He quickly left the bedroom and found Mo Xiaoting waiting for him with a cold smile on his face. Beside Mo Xiaoting stood the Smiling Mo Fangcao and behind them were more than 20 guards.

“Mo Xiaoting, what do you mean?” Although Luo Pingsheng’s heart was shaken, his expression remained calm.

Mo Xiaoting was just about to say something righteous when Yun chujie said, “Grandfather, don’t waste your breath on him. Just kill him! Little Ones, Charge! As long as you kill this old thing, the master will reward you handsomely!”

The guards had originally come for the Mo Residence’s high salary. Now that they heard that they would be rewarded handsomely, they naturally charged forward and launched a fierce spiritual attack at Luo Pingsheng.

Luo Pingsheng’s spiritual energy wasn’t even as high as Mo Xiaoting’s. How could he be a match for these people, he begged for mercy, “Master Mo, Brother Mo, we are in-laws. Please spare me! I am willing to give all of the Luo family’s assets to you. All I ASK is that you spare my old life.”

Mo Xiaoting sneered, “Luo Pingsheng, it’s too late for you to say all this. The moment you plotted against the Mo family, our two families became enemies!”

Seeing that his pleas were useless, Luo Pingsheng immediately changed his expression, “Mo Xiaoting, if you kill me, the Zhao family will not let you off! You’re courting death!”

Mo Xiaoting scoffed, “You don’t have to worry about the Mo family. Go ahead and kill him.”

Luo Pingsheng was quickly subdued by the crowd. Just as Mo Xiaoting was about to kill him with a slap, Mo Cheng arrived with Luo Shi, Mo Fanghua and Mo Junchen.
