

The Yun Family's Ninth Child is an Imp! Chapter 2017

Mo Xiaoting was stunned. He had specially sent people to guard Mo Cheng's courtyard because he was afraid that Mo Cheng would come over and cause trouble. Why did he still come over?

How would he know that this was all Yun Chujiu's doing? If Mo Cheng and Luo Shi did not come, how would the show begin? He was really looking forward to the drama that was about to unfold!

Mo Cheng did not say a word. Seeing that the Luo family's power was at an end, he naturally would not be so stupid as to offend Mo Xiaoting. Bringing Luo Shi and her children here was to prevent them from hating him for not saving them in the future.

Luo Shi saw that Luo Pingsheng was being controlled and looked at the flames of the Luo family. She knew that the Luo family was finished!

When Luo Pingsheng saw that Luo Shi had rushed over, his eyes lit up. No matter what, he had to save his life first, "Qiaoyun, Fanghua, Junchen, kneel down. I beg family head Mo to spare me!"

Of course, Luo Shi would not stand by and do nothing, she brought Mo Fanghua and Mo Junchen and knelt on the ground, "Father-in-law, the Luo family is no longer a threat to us. Please, for the sake of Fanghua and Junchen, spare my father!"

Mo Fanghua and Mo Junchen also pleaded. Mo Cheng could not bear it and said, "Father, the Luo family is finished anyway. For the sake of the children, please spare my father-in-law!"

Mo Xiaoting was so angry that his head was buzzing. How could he raise such an idiot? ! Did he not understand the logic of letting the tiger return to the mountain? !

“Get up. The Luo family has wild ambitions. We can’t not get rid of them.” Luo Shi, I know what you have done. But, on account of the fact that you have given birth to a pair of children for the second son, I will spare you for now. “If you two continue to be stubborn, don’t blame me for being Ruthless,” Mo Xiaoting said with a dark expression.

Luo Shi grumbled in her heart. Why hadn’t the enemy arrived yet? Couldn’t he see the Luo family’s raging fire? As long as he came over and held Mo Xiaoting hostage, the Luo family would be able to turn the tables. But, what should they do now? If they were to delay any longer, my father would be dead!

Luo Shi gave Mo Fanghua and Mo Junchen a look. Mo Fanghua took out a dagger from her storage ring and placed it across her neck, Luo Shi followed suit. “Father-in-law, if you do not agree to spare my father’s life, the three of us will commit suicide in front of you today.”

Yun Chujie burst into laughter. “Second aunt, it should be the two of us. My brother doesn’t seem to want to Die!”

Luo Shi turned her head and saw Mo Junchen kneeling. He did not take out his dagger as he stammered, “Mother, I don’t want to die.”

Luo Shi was so angry that she nearly fainted. This was only a temporary measure. Why did she need to die? What an idiot!

Although Mo Cheng had been displeased with Luo Shi recently, they had been husband and wife for so many years. They still had feelings for each other, not to mention Mo Fanghua, Mo Xiaoting's hands immediately went numb, "Father, please spare my father-in-law! You Can't just watch Qiaoyun and Fanghua commit suicide, can you?"

Mo Xiaoting's head was buzzing. If it wasn't for Fanghua and Junchen, he would have killed Luo Shi as well. Otherwise, his second brother, who had soft ears, would sooner or later cause trouble.

Mo Cheng saw that Mo Xiaoting wasn't speaking, so he gritted his teeth and pulled out a dagger and held it to his neck, "Father, if you don't agree, I won't live anymore!"

Mo Xiaoting was so angry that he almost spat out a mouthful of blood. This wasn't a son, this was clearly an enemy!

Yun Chujiu felt it was her turn, so she smiled and said, "Father, don't kill yourself yet. Before You Die, you have to meet someone. This person is an old acquaintance of second aunt's!"
