

The Yun Family's Ninth Child is an Imp! Chapter 2024

Hei Shi and the others were dumbfounded!

What kind of trick is this little ancestor playing?

This is the first time I've heard of him telling his trump card before a fight. Are You Out of your mind? !

That Wind Blade Mad Panther was clearly confused as well. Didn't they say that humans were sinister and cunning? Why does this little girl seem to be not very smart?

Yun chujiu saw the wild wind-blade Panther standing there in a daze, she raised her voice and said, "Hey! Little Cat, could it be that my little nine thunderbolt needles scared you silly? ! Are you going to fight or not? If you aren't going to fight, then obediently establish a temporary contract with me and become my mount."

The Wild Wind-blade Panther finally came back to its senses and thought, pui! You are the cat, your whole family are cats! Being your mount, are you riding on the Panther's Butt? Shameless!

The wild wind-blade panther howled and pounced towards Yun Chujiu. Yun chujiu dodged as she said with a smile, "That's right! It's so interesting to hurt each other like this!"

Interesting?

It should be sick!

Hei Shi and the others watched the battle while silently cursing in their hearts.

The wild wind blade leopard was on guard against Yun Chujiu's small needle of spiritual power, so it would use the wind blade to hit the small needle of spiritual power during the battle. However, in this way, although it would not be injured, its attack power would also be reduced by a lot, therefore, the man and the leopard fought for a long time, but there was still no winner.

In the blink of an eye, four hours had passed. Yun chujiu became more and more courageous as she fought:

"Kitten, you are indeed more powerful than the other demon beasts. Come, Let's fight for three hundred rounds. No one is allowed to leave until the winner is decided!"

The wild wind blade leopard was so tired that it panted heavily. Hearing Yun Chujiu's words, its four legs went weak and it almost lay on the ground. Damn it, this stupid girl was not human at all! After fighting for so long, she was still so lively. It was simply killing the leopard!

Another two hours passed. The wild wind-blade leopard laid on the ground helplessly and panted heavily. It was obvious that he was too tired to get up.

Yun chujiu pursed her lips and said, "Kitten, aren't you too useless? ! It has only been a short while, and you can't fight anymore?"

The wild wind-blade leopard was about to break down!

Just a short while?

Six hours and a short while?

Whatever! This leopard can't fight anymore!

Yun chujiu saw that the wild wind blade leopard really couldn't fight anymore, she said with a smile, "Little cat, I see that your movements are quite agile. How about this, you stay and be my sparring partner! If you can beat me, I'll let you go. If you keep losing, I'll let you go when I'm tired of fighting."

The wild wind-blade leopard was still gasping for air, but when it heard Yun Chujiu's words, it fainted.

Yun chujju blinked her eyes and turned to Hei Shi and the others. "This kitten must have fainted from happiness. Come, let's roast meat. I'm hungry after playing for so long."

Hei Shi and the others' eyes twitched violently. Fainted from happiness? ! Perhaps this wind-blade mad leopard felt that it had no more hope in life? !

Everyone started a bonfire and started to roast the meat. When the wind-blade Mad Leopard woke up, it smelled the aroma of the roasted meat. Its stomach began to growl uncontrollably, and the desire to eat instantly overcame the desire to escape.

Yun chujju saw that the wind-blade mad leopard had woken up, so she picked up a piece of roasted meat and threw it to it. "Kitten, this is for You!"

The wild wind blade leopard was a foodie. It was not afraid that Yun chujju would drug the barbecued meat, so it began to Munch on it. At this moment, the wild wind blade leopard only had one thought. This barbecued meat was indeed better than raw meat!
