

The Yun Family's Ninth Child is an Imp! Chapter 2030

"Don't worry, Little Bear is a good bear that keeps its word. It Won't attack you! Besides, don't you still have me? If it dares to be disobedient, I Will Kill It!" Yun chujiu said confidently.

Hei Shi and the others saw that Yun Chujiu's attitude was firm, so they could only start to apply the hair growth pill to the violent wind-blade bear with tears flowing down their faces. They had never dreamed of this scene, it was simply too weird!

The Violent Wind-blade bear was also confused at this moment. Demonic Beasts instinctively rejected humans, not to mention letting people get so close to them. However, in order not to run naked, it could only endure it.

Finally, Hei Shi and the others finished applying hair-growing pills. Their foreheads were covered in cold sweat. What a joke. This was similar to pulling teeth from a tiger's mouth. Only the little ancestor could make such an absurd decision.

Then, why did Yun Chujiu do this?

Firstly, it was rare for this fellow to have a conscience. He felt that the Windblade Violent Bear was a little miserable. It was originally a majestic demonic beast, but now that it had been burned into a bare-bottomed bear by her, it was better to apply the hair growth pill on it.

Secondly, she also wanted to take the opportunity to test if Hei Shi and the others were completely obedient to her orders.

“Little Bear, you can leave now. Don’t worry. In less than three days, your hair will grow back. I guarantee that it will be thicker than your original hair! Isn’t there a saying that goes, ‘If the old doesn’t go, the new won’t come...’”

The violent wind-blade bear covered its ears and ran away as if it was flying. It didn’t want to listen to the nonsense!

Yun chujiu saw that the violent wind-blade bear had run far away and sighed. “This sparring partner has run away. I still have to think of a way to catch another one.”

Hei Shi and the others mourned for the demonic beasts in this area for half an hour. The little ancestor was going to harm the demonic beasts again!

As expected, the demonic beasts in this area would be in bad luck for the next period of time!

Regardless of whether they were willing or not, in the end, Yun Chujiu would use all kinds of methods to coerce them into submission. They would only be released after two days as sparring partners.

Hei Shi and the others were surprised to find that Yun Chujiu's progress was extremely fast. Although she had not leveled up, with the rapid improvement in her movement techniques and fighting experience, she was actually becoming more and more proficient in dealing with level 31 demonic beasts.

Ten days later, Yun Chujiu once again proposed to go deeper.

Hei Shi knew that it was useless to persuade her, so he could only fearfully go deeper into the depths of the depths of the depths of the depths of the depths of the depths of the depths of the depths.

When Yun Chujiu encountered the demonic beasts again, she no longer acted willfully. She no longer hid anything and went all out to fight the demonic beasts.

Occasionally, when she was defeated, Hei Shi and the others would come forward to help.

In the blink of an eye, another ten days had passed. Yun Chujiu felt that it was about time. It had been nearly a month and a half in total. It was time to return to the Mo residence to take a look.

Just as Yun Chujiu was about to suggest returning, she suddenly realized that the fallen Phoenix Forest seemed to be a little hotter than before.

Hei Shi and the others also noticed this problem and said one after another, "Strange, why is it suddenly getting hotter?"

"Yeah, and it's getting hotter and hotter. There are no volcanoes in this fallen Phoenix Forest, so why is it suddenly getting hotter?"

"Oh right, isn't it rumored that this fallen Phoenix Forest is the Nirvana Land of the Phoenix? Could it be that something happened in the center?"

Yun chujiu was about to speak when the excited voice of the little black bird sounded in her mind, "Master! Master! My chance to become stronger has finally arrived! Quick! Quick! Take Me to the central area, there are good things there!" Xiao Heiniaos voice sounded in Yun Chujiu's mind

Yun chujiu was so angry that she was twitching, "You dumbass! Are you brainless? ! There are high-level demonic beasts in there, wouldn't I be courting death if I go in? !"
