

The Yun Family's Ninth Child is an Imp! Chapter 2035

"This is similar to the three troublesome things in My Dantian. Are you sure this bead won't be like them?" Yun chujiu asked Xiao Heiniaio worriedly.

"It won't be. The Nirvana bead contains the fire of the Phoenix. It's impossible for it to produce a weapon spirit," Xiao Heiniaio said proudly while glaring at Qi ling.

"Then how do you get that Pearl? Do you want me to throw you out?" Yun chujiu picked up Xiao Heiniaio's short wings with ill intentions.

Xiao Heiniaio shook its head like a rattle-drum. What a joke! If it wanted to get out, it would have to become a bald chicken!

"Master, put me down. I will form a seal to lure the Nirvana pearl over and swallow it."

Yun chujiu pouted and released Xiao Heiniaio's short wings. Xiao Heiniaio began to form a seal with its wings. It even made an obscure sound..

As Xiao Heiniaio formed seals and chanted, a bright red bead flew towards Xiao Heiniaio from within the flames. Xiao Heiniaio swallowed the bead in one gulp.

As the bead was swallowed by Xiao Heinia, the flames in the deep pit gradually began to extinguish. Yun chujiu now faced a serious problem. How was she going to face those high-level demon beasts that were eyeing her like a tiger eyeing its prey?

Could it be that the nirvana bead was swallowed by my spiritual pet and all of you should wash up and sleep?

Yun Chujiu felt that the matter was a little tricky. It seemed that she could only rely on her eloquent tongue to fool them!

Thinking of this, Yun Chujiu looked at Xiao Heinia. There was nothing unusual about Xiao Heinia. It only burped continuously.

Yun chujiu curled her lips. She was not afraid of settling accounts. She would deal with you when she went back!

Yun chujiu put the little black bird into her spiritual beast pouch and flew up on the chopping board. As she flew, she shouted, "Xiao Heinia, Xiao Heinia, don't burn yourself!"

Those demonic beasts were stretching their necks and staring at the deep pit. The Flames were gradually extinguishing. This meant that the Nirvana Pearl was about to appear.

When they heard Yun Chujiu's shout, they were shocked. That Little Ant was not burned to death? How was this possible? There was a raging fire in the deep pit!

The demonic beasts were on guard against each other. None of them took the initiative to attack Yun Chujiu, so Yun Chujiu landed safely on the ground.

This guy wanted to ride on the chopping board, but considering the demonic birds on the tree, he gave up the idea. Those demonic birds were huge, and one wing could probably knock her off.

After Yun Chujiu landed on the ground, she said with a face full of fear, "Damn! It's too scary! There's a red bead in the pit, and it almost burned me to death!"

When the demonic beasts heard the red bead, they immediately looked at the bottom of the pit. They looked for a long time but did not see the so-called red bead. Many demonic beasts roared at Yun Chujiu, full of warning.

Yun chujiu spread her hands. "Why are you staring at me?" The red bead was taken away by a strange-looking demonic beast! Right, it dug a hole at the bottom of the pit. Let me think. The demonic beast had red fur all over its body, and it looked similar to the fire-breathing panther. Its eyes were like rubies, and it was very beautiful

When the demonic beasts heard Yun Chujiu's description, they immediately guessed. Could It Be a fire essence beast? It must be! Only fire spirit beasts could withstand the high temperature below, and they were good at digging holes.

However, there were still many demonic beasts that looked suspiciously at Yun Chujiu. This little girl was even more suspicious, perhaps she was a thief shouting to catch a thief.

The Demonic Beasts all roared at Yun chujiu with warning, the meaning was self-evident, that was to hand over the Nirvana Pearl, or else kill her.
