

The Yun Family's Ninth Child is an Imp! Chapter 2036

Yun chujiu said innocently, "Why are you staring at me? Are you suspecting that I stole that Pearl? I don't lack money, what use do I have for that broken pearl?!"

The demonic beasts thought that it made sense. That Pearl could only be absorbed by fire-type demonic beasts, so it was indeed useless to this little ant.

"Everyone, you might as well go down and take a look if you want to interrogate me. Maybe that monster didn't run far!" Yun Chujiu said loudly.

One of the demonic birds heard her words and flapped its wings and flew down to the bottom of the pit.

The other demonic birds were afraid that the demonic bird would beat them to it, so they also flew down one after another.

The space at the bottom of the pit was limited. These demonic birds kept colliding with each other. The Nirvana bead didn't notice it, but a few of the demonic birds started fighting. They kept making angry cries, and a layer of bird feathers fell from the bottom of the pit.

Yun chujiu secretly looked at the surrounding trees. She thought that with so many demonic birds, she could take the opportunity to escape on the chopping board. She did not expect that there were still a few demonic birds that did not move at all, staring at her coldly.

Yun chujiu could not help but curse in her heart. Damn it, the remaining few were all at level 40. Indeed, the higher the spiritual power of the demonic beasts, the smarter they were. How could they escape?

Although some demon beasts were deceived by Yun Chujiu, there were still quite a number of demon beasts staring at Yun Chujiu. They all felt that the Nirvana Pearl was most likely taken by this little ant.

The reason why they did not make a move was because they were afraid of other demon beasts. They were all observing the situation. Therefore, although Yun Chujiu was temporarily safe, it was almost impossible for her to leave this place.

Yun chujiu used the tactic of not moving when the enemy didn't move. Not only did she not run away, she even lazily took out a chair and sat there. She crossed her legs and slowly said,

“Usually, it is very difficult to see so many high-level demonic beasts. Today, I have really learned a lot! I have nothing else to do for the time being. I will stay here and wait for you to catch the thief who stole the bead to prove my innocence.”

When the demon beasts saw Yun chujiu saying this, they were also a little uncertain. If the nirvana bead was taken by this little ant, shouldn't she run away quickly? How could she be so calm? Could it be that the fire essence beast really stole the nirvana bead?

The demon beasts fighting below finally flew up and chirped. It meant that there was no trace of the fire essence beast below.

A wild explosive bull could not hold back its anger. It walked in front of Yun Chujiu and stomped on the ground with its huge hooves. A crack instantly appeared on the ground. It was obviously warning Yun Chujiu.

Yun chujiu sneered in her heart. These demonic beasts were on guard against each other. As long as she did not run away, no demonic beasts would dare to really attack her.

Therefore, she glanced at the wild explosive bull. "Sir Bull, it won't help even if you stomp this place down. It's not like I took the bead. How can I give you a bead?"

The Wild Bull roared a few times and raised its front hooves as if it wanted to step on Yun Chujiu. Yun Chujiu didn't move at all and looked as if she could do whatever she wanted.

The Wild Bull was at its wit's end. It grunted a few times and retreated in embarrassment.

Yun chujiu was very proud. Little Girl, let's just waste time. Sooner or later, I will find a chance to escape.

Yun Chujiu's Pride didn't last more than 15 minutes before it was extinguished by the anxious cries of Xiao Heiniaoh!

"Master! Master! Let Me Out quickly! I'm going to spontaneously combust! If you don't let me out, Xiao Hong and the others will be burned to death!"
