

## The Yun Family's Ninth Child is an Imp! Chapter 2037

Yun chujiu was so angry that she almost passed out. Once the Xiao Heiniaio was released, only a fool would not be able to guess that the Nirvana Pearl was swallowed by It!

However, she could not not release it. Otherwise, Xiao Hei and the rest would be in trouble.

Yun chujiu had no choice but to summon the Xiao Heiniaio. At the same time, she held two thick stacks of super-grade explosive talismans in her hands. She was prepared to explode it if the situation was not good!

The moment the Xiao Heiniaio landed on the ground, it turned into a small fireball. Yun chujiu quickly took out a basin of water and threw it at it. Who would have thought that it would be better if she didn't throw it, but this small fireball had turned into a big fireball!

"Wa Wa, it's burning this young master to death! Wa Wa, my beautiful feathers are about to be burnt!" Xiao Heiniaio cried out in pain.

"You Idiot, roll on the ground! Extinguish the fire!" Yun chujiu saw that throwing water was useless and was helpless. She could only let Xiao Heiniaio roll on the ground.

As expected, Xiao Heiniaio began to roll on the ground. Those demonic beasts were really unlucky!

The fire on Xiao Heiniaos body was very strange. A demonic beast was only touched by a spark and was immediately burned. A moment later, it turned into ashes.

Those demonic beasts saw the situation and quickly scattered in all directions, afraid that Xiao Heiniaos fire would touch them.

Yun Chujius heart moved. This was a good opportunity to escape. Hence, she instructed Xiao Heiniao to roll outside while she activated the fire repelling Pearl and followed Xiao Heiniao to retreat.

Yun chujiu could also see that although the Xiao Heiniao was very loud, the fire did not seem to be able to burn it to death. Otherwise, it would not have the time to worry about its feathers.

Wherever the Xiao Heiniao went, the trees would be burned into ashes. At this moment, the demonic beasts were certain that the Nirvana Pearl was swallowed by the Xiao Heiniao. Each and every one of them cried out in hatred, but they were afraid of the flames on the Xiao Heiniaos body, they could only maintain a certain distance from the back and follow.

As long as the flames on the Xiao Heiniaos body were extinguished, they would swallow the Xiao Heiniao in one gulp.

What they were really afraid of came true. The Flames on the Xiao Heiniaos body became smaller and smaller, and finally disappeared completely. Yun chujiu could not help but curse in her heart. This damned fire appeared when it shouldn't have appeared and disappeared when it shouldn't have.., it was really too detestable!

What should she do? Those demonic beasts would definitely not let Xiao Heiniaos and her go.

She wanted to escape, but those demonic beasts were very smart. Not only were there many demonic beasts following behind, there were also some demonic beasts that circled to the front and trapped Yun chujiu in the middle again.

Yun chujiu was about to use the sudden rupture talisman to fight to the death when she saw Xiao Heiniaos body suddenly grow bigger. Although its body was still covered in black feathers, there was an indescribable brilliance, there was also a kind of nobility that looked down on the world.

Xiao Heiniaos raised its neck and let out a loud cry towards the sky!

“Clang, Clang, Clang...”

The ancient records flashed in Yun Chujiu's mind: A Phoenix in flight, and Clang, Clang, Clang!

Xiao Hei was really a phoenix!

Those demonic beasts and demonic birds immediately felt a huge pressure. Xiao Hei's noble bloodline had an absolute suppression on them. All the demonic beasts and demonic birds knelt on the ground, trembling as they bowed and submitted.

It wasn't only the demonic beasts in the fallen Phoenix Forest that were like this. At the same time, almost all the demonic beasts in the entire immortal Yuan continent simultaneously knelt and bowed towards the fallen Phoenix Forest. The ancient divine beasts were the gods of all the demonic beasts in the world, this kind of reverence flowed in their blood. They had no other choice but to kneel and submit.

At this moment, Yun Chujiu only had two words to express her feelings: Awesome!
