

## The Yun Family's Ninth Child is an Imp! Chapter 2039

Yun Chujiu did not have the time to scold him. There were at least three days' journey from the outer area of the fallen Phoenix Forest. Could it be that she could only wait for death?

Just as Yun Chujiu was thinking, a figure rushed over. It was an Feng.

After he received Yun Chujiu's voice transmission talisman, he originally wanted to run out, but after thinking about it, he turned around and ran inside, wanting to help Yun Chujiu.

Although Yun Chujiu was touched, she was even more worried. This time, both of them might die here! Jin Zhi, the beauty, had lost her best friend and boyfriend all of a sudden. She would definitely be extremely sad!

Xiao Heiniaoyao was so angry that he was about to faint!

What time was this? ! This heartless master was actually thinking about all these things. It was really infuriating!

An Feng was really unlucky. Fireballs kept falling down. Although there were trees to block them, many of them still hit him.

An Feng could only run and hit with his spiritual power. This way, his escape speed was much slower.

An Feng could not help but regret. Miss Jiu was right. He was just a burden. It was better not to save Miss Jiu. This was not saving people, it was clearly harming people!

“Miss Jiu, you go first. Don’t Mind Me!” An Feng felt that if this continued, both of them would die. He might as well let Yun Chujiu run first.

Yun chujiu ignored him. Her brain was working quickly. How could she get out of the current predicament?

Although the sudden rupture talisman could resist for a while, the effect would not be too good. There were too many demon beasts, and there were also demon birds.

Using puppets?

It was still okay to use puppets to deal with demon beasts below level 37, but it was not enough to deal with these high-level demon beasts.

Chili noodles?

Stop bullshitting!

These high-level demon beasts were huge in size, so the chili noodles would not be of much use.

What should they do?

Could they only wait for death?

The demon beasts behind started to approach, and the demon birds kept circling on the top of the tree. They felt that Yun Chujiu and an Feng had already become their possessions.

An Feng saw that Yun chujiu did not pay attention to him, so he did not mention it again. He knew Yun Chujiu's personality. No one could change the things that she decided. He was extremely regretful. If such a thing happened again in the future.., no matter what, he had to listen to Miss Jiu. He could not give her any trouble.

Finally, the demonic beasts once again trapped Yun chujiu and an Feng in the middle.

Now, there was nothing left to say. They could only go all out!

Yun Chujiu released five puppets. What chili noodles, pepper noodles, talismans... all the methods that could be used were used.

Unfortunately, the difference in strength was too great. Moreover, the number of Demon Beasts was dozens of times more than them. An Feng was already heavily injured after only fifteen minutes. Although Yun Chujiu was not injured, it was clear that she could not hold on for long.

Yun chujiu could not help but laugh at herself. Indeed, people die for money and birds die for food. If it were not for her greed, she would not have fallen into such a dangerous situation. She had really brought this upon herself!

Just when this fellow thought that he would definitely die, a white figure rushed over!

Yun chujiu thought of a classic line: My Beloved is a peerless hero. One day, he will wear golden armor and holy clothes and ride a rainbow auspicious cloud to marry me..

As the man waved his sleeves, the demonic birds hovering on the tree top were beaten until they screamed miserably and flew away.

Yun chujia pulled her neck and shouted, "Prince Charming! Prince Charming! I love you so much! Help me kill these shameless demonic beasts!"

Those demonic beasts were so angry that they were twitching. How dare you say that we are shameless? You stole our Nirvana Pearl, you are Shameless!
