

The Yun Family's Ninth Child is an Imp! Chapter 2044

"Hahaha! hahaha! Xiao Hei, are you swollen? Can you still fly? How can you be a phoenix like this? Don't Tease Me!" Yun chujie held her stomach and laughed maniacally.

The corner of di Beiming's eyes twitched slightly. It was the first time he saw a bird that ate so fat. It was too ugly!

Xiao Heiniu was dumbfounded!

It felt like it had received 10,000 critical hits!

So what if it was fat? Did it eat your rice? Or did it drink your water? It was really bullying the bird!

Yun chujie laughed for a while before she asked expectantly, "Xiao Hei, what ability did you gain by swallowing the Nirvana Pearl?"

Xiao Heiniu blinked its green bean eyes guiltily, "That, that master, I just swallowed the Nirvana Pearl. I haven't refined it yet. As the saying goes, it takes more than one day to freeze three feet. I have to cultivate slowly..."

Before Xiao Heiniaio could finish his words, he was kicked away by Yun Chujiu!

“You Dumbass! You almost caused my life to be lost, and you actually didn’t improve at all? ! What do you mean by not a day’s cold? How could you become fat in one go? !”Yun Chujiu was simply furious!

Xiao Heiniaio flapped its two short and fat wings desperately, and finally managed to fly to a crooked tree, it tried to defend itself with a guilty conscience, “Master, I am so fat because I swallowed the Nirvana Pearl. After i digest the Nirvana Pearl, I will naturally lose weight. “Master, believe me, I will work hard to cultivate in the future. One day, I will definitely soar to the sky!”

“PFFT! Soar to the Sky? I think you are Shameless!”Yun chujiu originally thought that she had taken such a big risk, xiao Heiniaio would add some awesome skills, but she did not expect it to be a futile effort. One could imagine how depressed she was.

Di beiming raised his hand, and the Xiao Heiniaio fell to the ground uncontrollably. Di beiming stared at it coldly, and the Xiao Heiniaio trembled in fear. It’s over, it’s over, the demon star would not really want to kill it, right? !

“I warned you, since you’re with the Black Thing, don’t have any other thoughts. Looks like you don’t have a long memory!”Di beiming took two steps forward and stood in front of the little black bird. Xiao Heiniaio was so scared that it almost fainted.

Xiao Heiniao was so scared that it almost fainted, with a trembling voice, it shouted, "I just want to become stronger, I really don't have any other thoughts! The Nirvana Pearl is too important to our Phoenix clan, otherwise I wouldn't be so eager to get it! Master! Master! Help!"

Xiao Heiniao was really afraid because it felt that Di Beiming really wanted to kill it at this moment.

"Prince Charming, Xiao Hei, it..." Yun Chujiu couldn't bear it and wanted to ask for mercy.

"Shut up! ! What's the use of keeping such a trash? ! Kill it and I will help you find a new spiritual pet. I guarantee it will be ten thousand times stronger than this trash." Di Beiming said coldly and raised his right hand.

"I, I am useful! I Am Useful! I can use the Nirvana Fire!" Xiao Heiniao saw that Di Beiming had raised his hand and did not dare to hide it anymore, so he quickly said.

Di Beiming sneered, "Since you can use the Nirvana Fire, Why didn't you tell me when Little Jiu asked you just now? It is even worse to have such a sneaky spiritual pet!"

Xiao Heiniao knew that only Yun Chujiu could save it now, so he used two short wings to wrap around Yun Chujiu's ankle, it howled, "Master! Master! I didn't mean to hide it. This nirvana fire can only be used by an adult Phoenix. Once I use it, I will fall into a coma. That's why I didn't say anything.

“Master, I have risked my life with you. Am I the kind of bird that hides? “If you are really in danger, let alone making me fall into a coma, I would be willing to die! Master, Help!”
