

The Yun Family's Ninth Child is an Imp! Chapter 2045

Di beiming stared coldly at Xiao Heiniaio. He thought to himself, what kind of master would have a spirit pet? This ugly bird was as cunning as the black thing. It was full of evil intentions.

Yun chujiu kicked Xiao Heiniaio away. "What you say is better than what you sing! Get lost!"

Xiao Heiniaio was kicked onto the crooked tree again. This fellow knew that Yun Chujiu saved it in disguise. He quickly shrunk his neck and did his best to reduce his presence. He was afraid that di beiming would not let it go and really kill it.

Of course, di beiming would not really kill Xiao Heiniaio. The reason why he did so was to give it and the other three dumb Cuties a warning, so that they would not encourage Yun chujiu to cause trouble again.

Di beiming looked at Xiao Heiniaio coldly and said indifferently, "Let's go."

Yun chujiu quickly rushed to di beiming's side and decided to use the best method to save that Oolong's mistake.

"Prince Charming, I realized that after not seeing you for a few days, you've become even more handsome!"

“Prince Charming, how can you be so charming? My little heart is about to jump out!”

“Prince Charming, if it weren’t for the situation that didn’t allow it, I would really like to write you a few love poems. I really love you to death!”

..

An Feng followed behind with a stiff face. Miss Jiu probably didn’t know what integrity was. No wonder she could take the throne.

With great difficulty, the little black bird flapped its short wings and landed on an Feng’s shoulder. It said in a fawning low voice, “Uncle Feng, Please, Please, give me a ride. Otherwise, I really can’t Fly!”

boxn ov el. c o m

An Feng’s mouth twitched. A bird that was so fat that it could not fly? It was simply a wonder in the world!

An Feng wanted to ignore the little black bird, but he knew that the little black bird was just as vengeful as its owner. Moreover, it was full of evil intentions. If he really offended Xiao Heiniao, his days would definitely not stop, thus, he could only carry Xiao Heiniao and follow behind di beiming and Yun Chujiu.

Fortunately, after a while, Yun Chujiu's conscience made her put Xiao Heiniaoy into the spirit beast pouch. An Feng then rubbed his right shoulder. Damn, it had to be said that Xiao Heiniaoy was really fat. After carrying Xiao Heiniaoy for so long., he felt that his shoulder was sore and painful.

Yun chujiu was about to continue sweet-talking di beiming when she realized that the sky had suddenly darkened. It was still early in the morning. There could only be one reason for the sky to darken, and that was that she was about to break through!

This guy was dancing with joy. "Idol, I'm going to be struck by lightning! Haha! I'm going to be struck by lightning! That's Great!"

Di beiming and an Feng's faces were stiff. The only person who could say that he was going to be struck by lightning so happily was probably this guy in front of them.

"That's great! It's not a waste of my suffering these few days. I'm finally going to break through. I hope I can level up a few more levels,"Yun Chujiu said excitedly.

The Dark Cloud in the sky was the same dark cloud that struck Yun chujiu in Jinchuan city last time. This time, it had only one purpose, and that was to kill this scourge, Yun Chujiu!

It was one thing for this scourge to have a heavenly thunder spirit root, but it actually took in a Phoenix as a spirit pet. This was something that the Tian Dao would never allow. Such a person must be killed!

Just as Wu Yun was thinking about this, he saw the little girl below waving at him excitedly:

“Xiao Yun Yun, quickly float over and chop me down!”

“I haven’t seen you for a long time. I miss you so much! Xiao Yun Yun, did you bring enough stock this time?”

“Xiao Yun Yun, this time, you must chop me down a little longer!”

..

Wu Yun was so angry that he kept twitching. Pervert! This pervert was really too cocky! Just you wait. If I don’t kill you this time, I’ll withdraw from the world of Wu Yun Forever!
