

The Yun Family's Ninth Child is an Imp! Chapter 2046

Boom! Boom! Boom!

This time, Wu Yun did not have any prelude. He immediately struck Yun Chujiu to death.

Wu Yun was struck for an hour. When he looked down, he was so angry that he almost passed out!

Not only was Yun Chujiu safe and sound, there was a chubby black bird next to Yun Chujiu and a small mushroom next to Xiao Mogu.

The three of them were waiting to be struck by lightning with a look of enjoyment. They were so beautiful!

Wu Yun was angry and puzzled. Could it be that the Fat Bird was a Phoenix?

F * ck, the ancient Divine Bird Phoenix did not look like this. Why was this one so ugly?

Also, what was that Xiao Mogu? He seemed to have some impression of it. Why couldn't he remember it?

Wu Yun gathered his strength again, and the heavenly lightning struck down once again.

Two hours, four hours, a total of six hours passed, but Yun Chujiu was still alive and kicking. From time to time, she would interact with Wu Yun, almost turning Wu Yun into a mushroom cloud!

“I say, Xiao Mogu, it’s been a few months, why haven’t you made any progress at all? It’s not that I’m criticizing you, but doesn’t your dark cloud world have any test results?”

“With you being so weak, I reckon it won’t be long before you’re eliminated to a low-grade continent, right? “TSK TSK, I’m an expert in hard work and leisure. You have to work hard!”

Yun Chujiu felt that she was too cultured. She actually quoted a classic sentence. Quoting a classic should be what she said, right?

Wu Yun was about to go crazy from anger. He kept hacking with all his might. Unfortunately, even when his thunder spirit energy was used up, the little devil was still alive and kicking. It seemed that he would be fine even if he hacked for another four hours.

Wu Yun decided to take back what he said before. He still had to survive in the dark cloud world. He would leave such a monster to other clouds to hack at him. He did not want to see this monster anymore. It was too damaging to his pride and he could not live anymore!

Wu Yun floated away without any hope. The sky turned clear in an instant. If the ground was not charred black, it would be as if nothing had happened before.

Yun chujiu sat on the chopping board and pouted as she flew out of the pit.

Di beiming and an Feng guessed that this guy might have broken through too few levels, so they were unhappy.

Sure enough, Yun Chujiu jumped down from the chopping board and said unhappily, "Damn it! This Wu Yun is too weak. The spiritual power in my Dantian is enough to level up two levels, but it didn't do anything! Damn it!"

"Cultivating too fast is not a good thing. It's easy for your foundation to be unstable. You should consolidate your spiritual power and advance a few levels next time." Di beiming comforted her.

Yun chujiu sighed, "Then it can only be like this. I can't catch a piece of Wu Yun and attack me."

Di Beiming comforted her again. Only then did Yun Chujiu jump up and continue to walk forward while holding di Beiming's arm.

An Feng couldn't hold it in anymore and asked tentatively, "Miss Jiu, what is your cultivation level now?"

"The first level of Lingxuan realm, I'm too ashamed to say, too weak!" Yun Chujiu said with a pout.

An Feng staggered. Miss Jiu, are you sure you're not showing off?

Breaking through four levels in one go, and you still think it's Not Enough?

Moreover, the ninth level of every level was a shackle. How many people couldn't break through from the ninth level of the spiritual venerable realm to the first level of Lingxuan realm after countless attempts? You succeeded in one attempt, and you're still not satisfied? As expected, we don't understand the world of geniuses!

The corners of di Beiming's eyes also twitched slightly. He originally thought that Yun Chujiu had only advanced by two levels, but who would have thought that this fellow had actually broken through to the first level of the Ling Xuan Realm in an instant.
