

## The Yun Family's Ninth Child is an Imp! Chapter 2049

When Mo Fangqin saw Yun Chujiu return, she excitedly welcomed her. "Big Sister, you're back?"

When Yun Chujiu saw Mo Fangqin, her heart moved. "Third sister, I picked some fruits in fallen Phoenix Forest. Take Me to see Aunt Qiu. I'll give her some to try."

Mo Fangqin was simply overwhelmed by the favor. "Big Sister, you just came back. You should take a good rest. Give me the spirit fruit and I'll pass it to Aunt Qiu."

"It's fine. I have nothing better to do. Let's Go!" Yun Chujiu dragged Mo Fangqin out of the courtyard.

Mo Fangqin had no choice but to bring Yun Chujiu to Aunt Qiu's courtyard. Aunt Qiu knew that it was Yun Chujiu who helped her and her daughter to live such a comfortable life, so she was at a loss when she saw Yun Chujiu.

Yun Chujiu could not help but laugh. "Aunt Qiu, I don't eat people. What are you nervous about? I picked these spirit fruits in fallen Phoenix Forest. I'll give them to you to taste."

As Yun Chujiu said this, she handed a plate of spiritual fruits to Aunt Qiu. Of course, these spiritual fruits were not picked in the fallen Phoenix Forest, but no one would care about these.

“Eldest miss, we simply can’t repay your great kindness to US mother and daughter...”as Aunty Qiu said this, tears fell.

Yun chujiu quickly jested and finally teased Aunty Qiu until her tears turned into laughter. Thus, this fellow began to reveal his fox tail.

“Aunty Qiu, actually, I’m quite envious of third sister. She has you as her mother to protect her. Sigh, I’m a child without a mother. Only I know the pain in My Heart.”Yun chujiu sighed and said, the rims of her eyes were slightly red.

“Eldest miss, you, you shouldn’t be too sad. Now that you’ve won the family head’s favor, your days will definitely be better and better in the future.”Aunty Qiu comforted.

“Aunty Qiu, even though that’s the case, I still miss my mother. Can you tell me what my mother looks like and what kind of person she is?”Yun chujiu looked expectantly at Aunty Qiu.

Aunty Qiu hesitated for a moment before saying to Mo fangqin, “Fangqin, go out and keep an eye on her. I’ll talk to eldest miss for a while.”

Mo fangqin sensibly went out to stand guard, only then did aunty qiu say, “Back when Master married madam, he had already taken in Luo Shi and me. I remember the first time I saw Madam, I was stunned by her looks. It’s the first time I’ve seen such a beautiful person.”

“Aunty Qiu, I Believe What You Say. After all, I’m already so good-looking. My mother must be even better looking,” interjected Yun Chujiu.

The corner of Aunty Qiu’s eyes twitched. It was obvious that she had never met such a shameless person. She paused for a moment, then, she continued, “At the beginning, master was very attentive to Madam. But for some reason, he became more and more cold towards her. He almost never entered Madam’s room. Then, on the day when Madam was about to give birth, young miss mysteriously disappeared. Madam stayed in bed and passed away in less than a year.”

As Aunty Qiu said this, her eyes turned slightly red. She could only sigh at the fact that a beautiful woman had a short life. Not only was the ye family beautiful, but their spiritual power was also very high. They actually died without a sound.

Yun chujiu blinked her eyes and then asked, “Aunty Qiu, What About My maternal family? My mother died and they didn’t come to take a look?”

Aunty Qiu sighed and said, “I also heard that Madam’s maternal family, the Ye family, is a first-class family in the eastern continent. However, Madam’s mother is only a concubine, so Madam’s status in the Ye family is very ordinary.

But even so, logically speaking, the old master should not be able to reach her. But for some reason, Madam’s name was removed from the Ye family and she ended up in Feng Li City. The old master admires Madam’s beauty and I don’t know what method he used to convince Madam to marry down.”
