

The Yun Family's Ninth Child is an Imp! Chapter 2051

The next morning, Yun Chujiu arrived at Mo Xiaoting's study room.

Mo Xiaoting was shocked when he saw Yun Chujiu. Yun Chujiu's eyes were red and swollen. It was obvious that she had cried, "Fangcao, what... What happened to you?"

"Grandfather, I had a dream last night. I dreamt of my mother and she blamed me for not visiting her after returning for so long. I woke up and cried out loud. I was so unfilial! Grandfather, where is my mother's grave? I'll take some paper money tomorrow to pay my respects," Yun Chujiu said as she began to cry.

Mo Xiaoting's eyes flickered, he sighed, "Fangcao, there are some things that you may not know about since you just returned. When your mother passed away, she said that you were missing and that she didn't have the face to be buried in the Mo family's grave. So, we had no choice but to respect her wishes and bury her not too far from the Mo family's grave. This way, we won't go against her wishes and it will be easier for us to take care of her."

"Grandfather, since this is my mother's last wish, Let's just do as she says. I heard that the day after tomorrow will be the anniversary of my mother's death. I want to pay my respects."

Yun chujiu laughed coldly in her heart. This Old Fox was really good with words. He had simply buried her in the wilderness, yet he spoke in such a dignified manner. No wonder his three sons were so useless.., it turned out he was the only one who had his eyes on him!

Mo Xiaoting naturally couldn't stop him, so he said, "I'll get someone to prepare the sacrifice. When the time comes, you can go and pay your respects."

Yun chujia chatted with Mo Xiaoting for a while longer before she turned around and left Mo Xiaoting's study room.

Mo Xiaoting Thought for a while before he called housekeeper he in, "Immediately arrange for someone to clean up the Ye family's grave. If there's anything wrong, fix it."

"Yes."

..

That afternoon, manager he ran into Mo Xiaoting's study room sweating profusely, "Master, Something's wrong! Something's Happened!"

Mo Xiaoting's heart tightened, "What happened?"

“Madam Ye’s grave was secretly dug out. When we rushed over, we only found a collapsed tombstone and even the coffin was missing. I’ve ordered someone to stand guard on the spot. Master, what should we do next?”

Mo Xiaoting couldn’t help but frown. But, this wasn’t surprising. The Ye family’s grave was a solitary one and no one was guarding it. So, it was only natural that there would be people coveting the treasures inside. That was why they dug up the grave.

“Immediately buy a coffin and bury it inside. Keep this a secret and don’t let Fangcao find out,” Mo Xiaoting said after a moment of silence.

“Yes.”

..

Housekeeper he immediately led his men to the coffin shop and bought a coffin before rushing to the Ye family’s grave.

Housekeeper he took out an empty coffin and was about to bury it when he heard a cold snort. He then saw Yun chujiu walking out of a nearby forest with Hei Shi and the others.

Manager he stumbled. This was bad! Why is this little ancestor here?

Manager he braced himself and walked in front of Yun Chujiu. After bowing, he said, "Miss Fangcao, you... Why are you here?"

Yun chujiu sneered, "Why am I here?"? If I didn't come, are you planning to bury it in an empty coffin? My mother is the wife of the official wife of the Mo family. Her grave is unguarded and has been stolen! "If I hadn't come to pay my respects, this tombstone would have disappeared sooner or later, right? "!"

Housekeeper he's head was covered in cold sweat, but he didn't say anything. The truth was laid out here, and no matter what he said, it would be useless!
