

The Yun Family's Ninth Child is an Imp! Chapter 2054

Mo Xiaoting took a deep breath and said to Yun chujiu, "Fang Cao, what are you doing? ! You've always been the most sensible person. If there's a problem, just solve it. Can You solve it by messing around like this?"

Yun chujiu sneered in her heart. If she didn't mess around like this, would she let you use an empty coffin to fool me? !

However, now was not the time to shed all pretenses with the Mo residence. There was no need to be afraid of settling scores. Let's wait and see.

"Grandfather, I also know that what I did was a little overboard. However, when I saw that my mother's grave had been dug up, my heart was broken! I really couldn't believe that the dignified wife of the Mo residence had actually fallen into such a situation.

The most hateful thing was that this housekeeper he actually wanted to use an empty coffin to fool me! And my father... he actually said that it was good that I was dead. What was the point of me being alive? "I'd better go find my mother!" Yun Chujiu said as she placed her head into the knot, looking as if she was about to hang herself.

Mo Xiaoting felt as if he was sitting on pins and needles as he gritted his teeth, he sighed, "Fang Cao, what are you doing? ! Grandfather will make the decision for you! Don't worry, grandfather will send people to investigate the whereabouts of your mother's bones. If someone really stole them, they will not let him off easily.

“Grandfather will find someone to choose a date to give your mother a grand burial and bury her in the Mo Residence’s grave.”. “As for the unruly housekeeper he, he will be punished with a hundred strokes of the cane and chased out of the Mo family.”

Hearing Mo Xiaoting’s words, housekeeper he almost fainted. A hundred strokes of the cane wasn’t a big deal, but being chased out of the Mo family meant that his days of wealth were over.

“Grandfather, since you say so, then we will do as you say!”! “However, although housekeeper he has made a huge mistake this time, I have already punished him. Furthermore, he is your right-hand man. You should give him a lighter sentence,”yun chujiu said with a sigh.

Hearing Yun Chujiu’s words, Mo xiaoting let out a sigh of relief. It seemed, even though Fang Cao was sad, she still knew what was at stake. But, what could a little girl like her do? Didn’t she still have to rely on the Mo residence to survive?

“Alright, since Fang Cao is pleading on his behalf, let’s change it to a hundred strokes of the cane!”

Housekeeper he kowtowed gratefully to Mo Xiaoting and Yun Chujiu. As long as she could keep her title as the Mo Residence’s housekeeper, it was worth it to give her two hundred strokes of the cane, not to mention a hundred.

“Grandfather, I’m not in a good mood. I’ll be going in now. I’ll be taking my mother’s tombstone with me,” Yun Chujiu said as she put the tombstone into her storage ring and wiped her tears as she entered the Mo residence.

Mo Xiaoting turned around and walked into the Mo residence awkwardly. Housekeeper he arranged for someone to put the soil back into a sack. He did not dare to throw it away. Who knew if his ancestor would want the soil again. After this incident, Yun Chujiu was a jinx in housekeeper he’s heart. He could not afford to offend her.

Yun Chujiu returned to her room and sighed as she looked at the Ye family’s tombstone.

“Mother, it’s not that little jiu doesn’t want to avenge you, it’s just that now is not the right time. Don’t worry, I will work hard and one day, I will be able to find out the truth and give you justice.”

As expected, Mo Xiaoting found someone to calculate the time and prepared to make a cenotaph for the Ye family. However, he discovered that there was not a single piece of clothing from the Ye family.

In the end, he had no choice but to put the blanket that Yun Chujiu was wrapped in into the coffin. Only then did he build a cenotaph for the Ye family at the Mo family’s cemetery.

During this time, Mo Cheng found Mo Xiaoting and wanted to object. But, he was scolded by Mo Xiaoting before he finally stopped.
