

## The Yun Family's Ninth Child is an Imp! Chapter 2056

Manager Liu was stunned. After he reacted, he said angrily, "Little B \* Tch! How dare you hit me with a Teacup? ! You're courting death!"

"I'm sorry, I was drinking tea, but my hand slipped and the Teacup flew out!" Yun chujiu crossed her legs and lied without any sincerity.

"You! Fourth Master, who is this B \* Tch? Are you going to let her do this? ! If you don't care, I'll do it myself," manager Liu said angrily.

Mo Xiaoting's expression was dark, "Manager Liu, this is my granddaughter, Fang Cao."

Mo Xiaoting was implying that she was the master and he was the slave. Calling her a B \* Tch was too much!

Unexpectedly, manager Liu did not buy it at all. He scoffed, "Since you are a young lady, you should act like one. Fourth Master's upbringing is far worse than mine!"

As soon as manager Liu finished speaking, Yun Chujiu jumped in front of him and gave him two tight slaps. Following that, she kicked manager Liu in the waist.

Manager Liu was directly kicked to the door of the living room. Coincidentally, he knocked on the doorsill, and both of his front teeth were broken!

Manager Liu felt that his waist was almost broken. It was not easy for him to get up, and he spat out a mouthful of blood. With a ferocious expression, he gave Yun chujiu a slap.

Yun chujiu nimbly dodged. The reason why she dared to hit manager Liu like this was because she found out that manager Liu was only at the eighth level of the spiritual venerable realm. This guy was very smart.

The two of them did not use any spiritual power, and Yun Chujiu was extremely fast. In less than a dozen moves, manager Liu was once again kicked to the ground by Yun Chujiu.

“You slave! How Dare You Call Me a slut? Tell me, who is a slut? !”Yun chujiu held a large kitchen knife in her hand and rubbed it against manager Liu’s face.

“Fourth master, you... are you going to let this little miss treat me like this?”Manager Liu swallowed the word ‘slut’.

Mo Xiaoting had long been unhappy with manager Liu. Although he felt that Yun chujiu was a little impulsive, he knew that she was a scheming person, so, he said symbolically, “Fang Cao, what are you doing? Hurry up and let manager Liu Go.”

Yun Chujiu gave manager Liu another two slaps, "You Shameless B \* stard, how dare you complain? "Not only are you disrespectful to my grandfather, you even dare to call me a slut. Even if I kill you, I won't be able to say anything!"

"You, you, a seventh-grade official in front of the prime minister's door. You hitting me is equivalent to slapping my face. Let Me Go!" Manager Liu said with a stern face but a weak heart. He did not take this small branch seriously at all, who would have thought that he would meet a freak like Yun Chujiu who was not afraid of anything.

"Let Go of You? In your dreams! Tell me, who's the B \* Tch?" Yun chujiu gently sliced manager Liu's face open with the kitchen knife.

"You, you, I won't let you off!" Manager Liu screamed in pain.

Yun chujiu curled her lips and sliced his face again, "Who's the B \* Tch?"

"I'm a B \* Tch, I'm a B \* Tch! Miss Fang Cao, please let me off!" Manager Liu saw that Mo Xiaoting had remained silent, plus, Yun Chujiu really did have the guts to make a move. So, she gritted her teeth and gave a perfunctory reply. When the time came, she would deal with this SL \* T!

“So You’re a SL \* T! TSK TSK, SL \* t Liu, then tell me, did you come up with the idea of buying our shop with 100,000 spiritual stones or did I come up with it?”After asking, Yun Chujiu secretly opened the recording stone.
