

The Yun Family's Ninth Child is an Imp! Chapter 2067

Just as the Thousand Feet Tall Earth splitting bear was in a daze, it heard someone behind it say with a grin, "Little Bear Bear, you are really stupid and stupid! Big Sister is behind you!"

The thousand feet tall earth splitting bear turned around and saw Yun chujiu hugging her shoulders and looking at it disdainfully. It immediately roared and pounced on it again.

Hei Shi and the others were surprised to find that Yun Chujiu's movement technique was even faster than before, even faster than theirs. How was this possible?

After all, most of their spiritual power was around the third level of the spiritual profound realm, and their little ancestor was only at the fourth level of the spiritual venerable realm! This was simply too unbelievable!

How would they know that the guy in front of them was used to pretending to be a pig to eat a tiger, at the fourth level of the spiritual venerable realm? This guy was clearly at the first level of the spiritual profound realm!

Yun chujiu fought with the Thousand Feet Earth splitting bear for a while, and then she felt that there was no more challenge, so it was better to find a powerful Demon Beast to challenge.

Yun chujiu tightened her moves, and the thousand feet splitting earth bear couldn't hold on any longer. It found a gap and slipped away.

“Little Bear, do you think I can’t see that you’re trying to escape? I deliberately let you live. After all, your meat isn’t tasty, and eating your thick bear paws is too laborious,”Yun Chujiu said faintly.

The thousand feet splitting earth bear staggered, and then it staggered and ran away.

“Let’s go. Let’s go deeper. This level 31 demonic beast is too weak. It’s not interesting at all.”Yun chujiu curled her lips and said.

Hei Shi and the others had no strength to complain. Even if they felt that the situation was a little unbelievable, it was the truth. The little ancestor could easily deal with a level 31 demonic beast. It was indeed not difficult.

Therefore, Yun Chujiu brought Hei Shi and the others to look for level 32 demonic beasts to train.

Hei Shi and the others didn’t stay idle this time. They also began to train because their spiritual power was basically the same as a level 32 demonic beast. They could use it to increase their actual combat experience.

In the blink of an eye, half a month had passed. Yun Chujiu felt that it was about time, so she said, "Let's walk further inside and find a level 33 demonic beast to train with."

Hei Shi and the others knew that it was useless to stop them. Besides, there was still that mysterious person in the dark, so there should be no problem. Therefore, they followed Yun chujiu further in.

Not long after they walked, they coincidentally met the red-clothed woman and her group.

The pink-clothed woman curled her lips, she said to the red-clothed woman, "Sister Qian Hua, some people really overestimate themselves! The lowest level of the demonic beasts here is level 33, but they actually came here to die. They are really stupid."

The woman in red didn't say anything. She just looked at Yun Chujiu sarcastically, thinking that it would be better if she died so as not to ruin her good looks.

Yun chujiu didn't say anything. Instead, she led Hei Shi and the others to continue walking inside. Instead of wasting time on such a fool, it would be better to find a few more demonic beasts to train.

A man next to the woman in Red's eyes flickered a few times, he said to the red-dressed woman in a slightly ingratiating manner, "Qian Hua, although this little girl's spiritual power is a little low, she's quite good-looking. You also know that my cousin doesn't have any other hobbies. I only like a little girl with a watery spirit. Why don't I bring her back to the Zhao Family?"

The man did not deliberately lower his voice when he said this. It was obvious that he did not take Yun Chujiu and the others seriously at all. He had already been tempted when he was at the mountain pass, but he was afraid that it would be too eye-catching to snatch someone at the mountain pass, so he did not make a move.

The woman in red pouted. "She's just a piece of trash without any background. It's her fortune to be liked by you. Just bring her back to have some fun."

When the man heard that, his face immediately lit up. After a few jumps., he blocked Yun Chujiu's path. "Little Beauty, your spiritual power is so low that it's useless no matter how many trials you try. Why Don't you follow Big Brother back to have a good time? Don't worry, Big Brother will take good care of you."
