

The Yun Family's Ninth Child is an Imp! Chapter 2068

After the man finished speaking, he pretended to be confident and made a posture. He thought that Yun Chujiu would definitely agree. After all, their ostentation was obviously not an ordinary person.

Yun chujiu glanced at him and said indifferently, "A good dog doesn't get in the way. Get lost!"

The man was about to get angry, but he restrained himself and said, "Little beauty, you might not know our identity. We are all people of the Zhao family, the Zhao family that deals in talisman business in the Western Continent."

"Zhao Family? Who are you people from the Zhao Family?" Yun Chujiu raised her eyebrows and asked.

The man proudly introduced them. It turned out that these five young men and women were all young masters and young ladies of the Zhao family.

The one in red was Zhao Qianhua, the daughter-in-law of the head of the Zhao family. The one in pink was Zhao Qianyu, the daughter-in-law of the head of the Zhao family.

The one in blue was Zhao ligang, the son-in-law of the third elder. The one in Black was Zhao Liping, the son-in-law of the fourth elder. The man who spoke was Zhao Lisheng, the son-in-law of the second elder of the Zhao family.

“How is it?” “Little beauty, our Zhao family is a famous family in the western continent. Follow me obediently. I’ll ask my uncle to give you some benefits. Your family’s small shop will earn a lot of money soon.” After Zhao Lisheng said that., a smug look appeared on his face. He felt that Yun chujiu would obey obediently.

“I’m not interested. Get out of the way. We have to hurry.” Yun Chujiu said coldly.

Zhao ligang, who was standing behind her, curled his lips and said, “Second brother, you’re really a coward. You’re just a little slut. You Don’t have to care whether she agrees or not. Just capture her and bring her back.”

Zhao liping also echoed, “That’s right. Why are you wasting your breath with her? ! If she doesn’t agree, we’ll kill all her followers and her family. Let’s see if she still dares to disagree! She really doesn’t know how to appreciate favors!”

Zhao Lisheng’s face was a little embarrassed, he said to Yun Chujiu in a flustered and exasperated manner, “Little Beauty, did you hear what my brothers said? Obediently follow me, and I’ll guarantee that you’ll enjoy endless riches and riches. If you don’t obey, I’ll do as they say.”

Yun chujiu turned to look at Zhao Qianhua and said indifferently, “Miss Zhao, what do you say?”

Zhao qianhua snorted coldly, “You Little Slut, what right do you have to talk to me? It’s your fortune that my second brother has taken a fancy to you. Why are you pretending? You look like a lowly person!”

“That’s right! How could a proper lady bring a group of guards to the trial by herself? It sounds nice to say that she’s here for the trial, but she might not be here for some shady business!”

Zhao Qianyu said in a weird tone. She had always followed Zhao Qianhua’s lead. When she saw that Zhao Qianhua did not like Yun Chujiu, she naturally had to go along with it.

Hei Shi and the others could not contain their anger. These people from the Zhao family had gone too far! Hence, they all looked at Yun Chujiu. As long as Yun Chujiu gave the order, they planned to rush up and seek justice.

A trace of sternness flashed in Yun Chujiu’s eyes. It seemed that the Zhao family was not even as good as the Mo family. Although the Mo family was selfish and cold-blooded, at least they did not act so arrogantly and viciously. Initially, they did not want to touch the Zhao family for the time being. Since they wanted to rush up and seek death.., then kill them!

Zhao Li Sheng was standing very far away from Yun Chujiu. He had thought that Yun chujiu would obey obediently. Who would have thought that several purple lightning bolts would directly strike at him.

Zhao Li Sheng did not even have time to react. Fortunately, he had a defensive spirit tool on him, which blocked Yun Chujiu’s attack.

However, before he could breathe a sigh of relief, Yun Chujiu's purple spirit energy needle had arrived!
