

The Yun Family's Ninth Child is an Imp! Chapter 2069

Zhao Lisheng did not care about the small purple needle at all. He reached out to grab it, wanting to take back a city.

Bang! Bang!

After a few explosive sounds, both of Zhao Lisheng's hands and arms were blown away!

Yun chujie held the rolling pin and smashed it hard on Zhao Lisheng's head. Zhao Lisheng died instantly.

The whole process only lasted for a few seconds. Before anyone could react, Zhao Li Sheng was already dead.

It was the first time Hei Shi and the others saw Yun chujie kill someone. Only now did they realize that when this little ancestor killed someone, she did not jump around like when she was fighting with the demonic beasts. She only had three words: Steady! Accurate! Ruthless!

The people of the Zhao family were stunned at first. After they reacted, they naturally would not let it go, Zhao Qianhua cursed with a ferocious expression, "B * tch! How dare you kill my second brother! You're courting death! I want to kill all the people of your family to avenge my second brother."

Yun chujiu sneered, "Revenge? I'm afraid you won't have the chance. I'll send you on your way so that your good second brother won't be lonely and cold on the road to hell!"

Yun Chujiu said as she threw two thick stacks of superior-grade burst talismans at Zhao Qianhua and the others. Hei Shi and the others followed her example and threw the superior-grade burst talismans that Yun chujiu had given them to the people of the Zhao family.

The people of the Zhao family thought that what Yun Chujiu and the others threw was just a burst talisman, so they didn't pay much attention to it. Moreover, they felt that Yun Chujiu and the others were simply showing off in front of an expert. The Zhao family was an aristocratic family of talisman seals, how could they compete with them in talisman seals? They were simply looking for trouble.

Therefore, the Zhao family members only dodged to the side for a short distance. They felt that this was enough for them to be safe.

Therefore, they were miserable!

After Yun Chujiu and the others threw out the first wave of super grade burst talismans, they did not stop. The talismans in their hands seemed to be free as they continuously smashed towards the Zhao family members.

The loud explosion sound was accompanied by the screams of the Zhao family members. Yun chujiu observed the direction of the wind and secretly threw two sacks of chili noodles at the Zhao family members.

The Zhao family members had lost at least half of their combat strength after being tormented. Zhao Qianhua and the others were about to go crazy from anger!

How could this wretched girl have so many sudden rupture talismans in her hands? Even their Zhao family didn't have so many sudden rupture talismans. Who exactly was she?

However, the Zhao family was a talisman family after all. They quickly thought of a way to break the talismans. The talismans could only be used for long-range attacks, so they all jumped over and began to fight Yun Chujiu and the others from a distance.

"Little ones, these live targets are much more useful than demonic beasts. This is a great opportunity for the trial, so all of you better be alert!" Yun Chujiu said loudly.

The corners of Hei Shi and the others' eyes twitched. Oh My God, how dare we not be alert? Although the Zhao family's combat strength had weakened, they were still twice as strong as us. The slightest mistake could cost them their lives!

Hei Shi and the others saw that an Feng did not come over to help, and they could not help but feel a little puzzled. Why did that mysterious person not come over to help? Could it be that he would come over when we could not?

An Feng wanted to come over to help, but Yun chujiu had something to say. Unless he had no other choice, he could only watch the battle from the Shadows.

He was not worried at all. Although Yun Chujiu's spiritual power was not as high as the Zhao family's, and her numbers were not as many as the Zhao family's, she had bad water, and she would definitely be able to achieve a complete victory.

Yun chujiu saw that their side was at a disadvantage, she released the four dumb Cuties. "You four lazy bastards. You usually just sit back and enjoy the fruits of your labor. It's time for you to come out and train. If anyone doesn't perform well, Humph!"
