

The Yun Family's Ninth Child is an Imp! Chapter 2072

"Little girl, long time no see." The mermaid man's gloominess deepened, but he was obviously very happy to see Yun Chujiu.

"Big Brother Mermaid, I went to unexpected iceland to look for you later, but I didn't find you. Where did you go? Why did you hide in this pool? How did you become like this?" Yun chujiu was full of questions.

The mermaid man smiled bitterly and said, "Something happened after that. I've already remembered why Tian Dao wanted to exterminate our mermaid clan back then. It was because..."

When the mermaid man said this, his figure began to fade. Even though his face was twisted with anxiety, he was unable to say the rest of his words. The mist was about to dissipate.., the mermaid man could only shout loudly, "Little girl, you must be careful..."

Before the Merman could finish his sentence, the mist had completely dissipated.

Yun Chujiu was stunned for a moment, then she started to mumble in her heart. Brother Merman obviously did not finish his sentence. He seemed to be reminding her to be careful of something, someone? Or something?

Yun chujiu recalled the Merman's mouth shape, but she still could not think of anything. She called out to the pool a few times, but there was no response.

This guy could only accept the fact that the mermaid man had disappeared again. He had originally planned to search for the original location of the mermaids in the Tianyuan continent, but now, it seemed that the matter was more complicated than he thought, perhaps the original location of the Mermaids was in the immortal Yuan continent.

Yun Chujiu's self-adjustment ability was very strong, and she was revived quickly. She picked some high-level spirit herbs and collected them, then left the poisonous miasma forest.

An Feng saw that Yun Chujiu was safe and sound, and his heart was relieved. He asked curiously, "Miss Jiu, I see that the miasma has begun to weaken. Have you solved the source of the miasma?"

Yun chujiu said proudly, "Of course! There is no poison in this world that I can't solve! Gou Weiba in hand, invulnerable to all poisons!"

An Feng's mouth twitched, but he still complimented her. Yun Chujiu was naturally very smug again, completely forgetting how she usually cursed Guai Cao.

The two chatted as they walked out. They did not meet anyone from the Zhao family. The Zhao family probably had not found out that Zhao Qianhua and the others were in trouble.

After Yun Chujiu found Hei Shi and the others, she returned to Feng Li City on a flying spirit tool.

Yun Chujiu wanted to continue the trial, but after thinking about the Zhao family, she decided that it would be better for her to return and destroy the Zhao family first so that she wouldn't leave any trouble behind.

After Yun Chujiu arrived at the Mo residence, she immediately went to look for Mo Xiaoting.

“Grandfather, I’m back.”

Mo Xiaoting was surprised to see Yun Chujiu, “Fangcao, you’ve only been gone for half a month. How did you come back so quickly?”

“Grandfather, I originally wanted to train for a while longer, but something happened. I thought it would be better to come back and let you know.”

“What happened?”

“It’s not a big deal. I just killed the daughter of the Zhao family’s head and daughter-in-law, as well as the second elder, third elder and fourth Elder’s son,” Yun Chujiu said casually.

“What? !” Mo Xiaoting jumped to his feet. How could it not be a big deal if he killed all the younger generation of the Zhao Family? ! Was it only a big deal if he destroyed the sky? !

“Grandfather, why are you so excited? ! We are going to destroy the Zhao family sooner or later anyway. It’s not a big deal if I kill a few of them to practice!”

“Nonsense! When did I say I was going to destroy the Zhao Family?” Mo Xiaoting slammed the table angrily. He felt that Yun Chujie was being ridiculous.
