

The Yun Family's Ninth Child is an Imp! Chapter 2081

It was the first time that Hei Shi and the others had said that they were perverted. Moreover, they had a smug expression on their faces. They were indeed perverted!

Four hours passed quickly. One after another, people walked over from the depths of the valley. Some of them looked happy while others sighed.

Diao Shaoyan and the others also walked over. They did not look worried. It seemed that they had not found the seven-leafed hollow grass.

Yun chujiu could not help but gloat in her heart. Damn it! It would be better if they could not find it!

At this time, lightning started to appear sporadically. Everyone hurriedly ran out, afraid that they would be struck to death after a while.

Yun chujiu naturally could not stay inside suddenly. This guy pretended to be interested in a piece of worthless spiritual medicine and dawdled there.

An Feng was very clear about Yun Chujiu's tricks, so he cooperated and put on an act. "Miss, four hours are almost up. You'd better hurry out."

“No Rush, no rush. I’ll take a look again. You guys go out first. Don’t be boisterous next to me. It’s annoying to hear that,” Yun Chujiu said impatiently.

An Feng pretended to be anxious and stamped his feet. However, Yun Chujiu kept urging them to hurry out. An Feng could only lead Hei Shi and the others to walk out, turning back three times with each step.

Hei Shi and the others felt that if they did not know, they would definitely believe an Feng’s performance. This person was also a genius!

Seeing this, Diao Shaoyan could not help but twitch his lips. This stupid girl was really courting death. It would be best if she was struck to death by lightning!

At this moment, the Lightning suddenly became heavy. Everyone rushed out. Yun chujiu also stood up and followed behind them.

Diao Shaoyan saw that Yun Chujiu was not far from him, and a hint of viciousness flashed in his eyes. He gave a signal to the triangular-eyed attendant beside him.

The triangular-eyed attendant nodded knowingly and gave Yun chujiu a palm strike. “San Jiaoyan!”.

Yun chujiu could completely dodge, but she felt that she could use this opportunity to stay in the valley, so she pretended to scream and flew more than a hundred feet away before fainting on the ground.

Diao Shaoyan looked back and could not help but smile sinisterly. This was the consequence of offending this young master.

The old man naturally saw the situation here. He paused for a moment and then continued to escort Diao Shaoyan out. She was just a little girl from the Western continent. If she died, so be it.

The rest of the people followed the principle that it was better to have less trouble than more trouble. Naturally, no one went to save Yun Chujiu and allowed Yun chujiu to “Faint”there.

As soon as everyone left the Thunder Disaster Valley, the Thunder Disaster Valley was once again enveloped by heavy lightning. Everyone sighed and then left one after another.

An Feng and the others naturally had to put on a full show, so they asked anxiously, “Everyone, Have You Seen My Lady?”

Everyone’s eyes flickered, afraid that they would offend Diao Shaoyan, so they all said that they didn’t know.

San Jiaoyan's follower gloated, "That stupid girl tripped herself. She must have been struck by lightning! Haha!"

Hei Shi and the others immediately glared at him. If it were not for an feng pulling them, they would have gone up to San Jiaoyan and risked their lives. An Feng could not help but sigh in his heart. The ninth miss really had some skills. These people had not followed her for long, but they were all very loyal.

The old man glared at San Jiaoyan, then said to an feng, "Your miss tripped over herself, and her head seems to have hit a stone. If you are worried, just go in and take a look."

An Feng cupped his fists at the old man, then said to Hei Shi and the others, "Wait here, I'll go in and take a look."
