

## The Yun Family's Ninth Child is an Imp! Chapter 2090

Mo Xiaoting teased, "You Little Girl, you are such an iron rooster!"! The money needed to be spent naturally had to be spent. As for the gifts, you don't have to worry about them. Grandfather will ask manager Liu about my family's preferences and then make some preparations."

"Hehe, grandfather, this is our hard-earned money. Of course, our hearts will ache for it." "But, this is my first time going. I'm still a junior. I wonder if my family will give me some gifts," Yun Chujiu said as she blinked her eyes.

Mo Xiaoting immediately remembered what had happened when Yun Chujiu first arrived at the Mo residence. His heart trembled, "Fangcao, I'm not a place where you can mess around. Don't mess around when the time comes."

"Grandfather, look at what you said. I'm not a fool. Of course I won't mess around. Don't worry." "If you're fine, I'll make a trip to grandmother's. I bought her some specialty products from the road," Yun Chujiu said with a smile.

Mo Xiaoting sighed in relief when he heard Yun Chujiu's words. He waved his hand to signal for Yun Chujiu to leave.

Yun Chujiu hopped into the main courtyard. Inside, Wu Shi and Niu Shi were chatting with old madam Liu.

“Grandmother, I’ve come to see you! Did you miss me?” Seventy-two filial granddaughters came online.

Seeing Yun chujia hop in, Old Madam Liu raised her head with a smile, “You naughty monkey, you’ve been gone for so long. You’re finally willing to come back!”

“Grandmother, look at what you said. Even if I’m willing to part with other things, I can’t bear to part with you, grandmother! If it weren’t for the fact that I’m afraid of being impolite and travel-worn, I would have come to see you directly just now.

Grandmother, these are the food I brought for you. I personally picked them out. Please try them. First aunt, third aunt, come and try them too.” Yun chujia took out some food she bought on the way from her storage ring and let everyone try them.

Wu Shi said with a hint of flattery, “Fang Cao, this child is not only capable but also filial. No wonder mother dotes on her.”

Lady NIU also echoed, “What sister-in-law said makes sense. Fang Cao, this child is really a good girl that is one in ten thousand.”

Yun chujiu could not help but laugh. Did Wu Shi and Lady Niu Drink Honey This Morning or something? Although they usually tried to curry favor with her, they were not so explicit. They probably had other plans, right?

As expected.., wu Shi changed the topic as she spoke. "Mother, Fang Cao is already eighteen this year. Should we consider marriage? My mother's nephew is three years older than Fang Cao and has a dignified appearance. My mother's sister-in-law has also fallen in love with Fang Cao. "You see, why don't we let them come over and have a good look at each other?"

Hearing Wu Shi's words, madam NIU quickly said, "Mother, my nephew and Fang Cao are about the same age, and their cultivation aptitude is quite good. Why don't we ask my sister-in-law and nephew to come over as well? Have a good look at each other?"?

Yun chujiu was drinking tea when she heard Wu Shi and Madam Niu's words. She almost burst out laughing. These two people really had a good plan. were they planning to marry me and indirectly take control of the Mo Family? They were really simple fools!

Old Madam Liu threw the teacup on the ground in anger. "Two idiots whose hearts have been clouded by lard! Are those two things from your family worthy of the fragrant grass? Don't think that the old woman doesn't know about your thoughts. Let me tell you, you should just give up on that thought!"

Wu Shi and Niu Shi were scolded like dogs. Although they admitted their mistakes, they sneered in their hearts. Humph, the old woman said it nicely. She probably wanted to keep the fragrant grass for her family. What a good plan!
