

The Yun Family's Ninth Child is an Imp! Chapter 2091

After a while, Wu Shi and Niu Shi found an excuse to leave with dirty faces.

Old Madam Liu rambled on for a while, then she sighed and said, "Fang Cao, although your aunt and third aunt didn't choose the right people, what they said makes sense. You are already eighteen years old, it's time to consider marriage."

"Grandmother, I'm not going to marry. I want to stay with you and grandfather." Yun chujiu squeezed out two blushes on her face and said coquettishly.

"Yo, you naughty monkey, you still have time to be embarrassed?" "There's nothing to be embarrassed about for a man to marry his daughter. Your Great-uncle's grandson is the same age as you, and I watched him grow up. How about grandmother let you meet him one day?" Old Lady Liu said jokingly.

The girl from Fangcao was like a money tree. Marrying her was the same as marrying a treasure trove. She couldn't let anyone get away with it.

"Grandmother, i... I'm not going to talk to you anymore. I'm going back!" Yun chujiu pretended to be shy and ran out.

Old Madam Liu felt that Yun Chujiu was shy. She smiled and shook her head, ready to talk to Mo Xiaoting about this.

“Master, that old fart is really going to marry you off to her family. What are you going to do?”Xiao Heiniaio asked worriedly.

“Don’t worry! The Old Fox won’t agree. He can’t wait for me to never get married!”Yun Chujiu said nonchalantly. As long as Mo Xiaoting didn’t agree, it was useless for Old Madam Liu and Mo Xiaoting to have fun.

As expected, when old madam Liu mentioned the matter to Mo Xiaoting that night, Mo Xiaoting scolded her and warned her, “I have my own arrangements for Fang Cao’s marriage. Don’t get involved.”

Old Madam Liu was scolded like a chicken in a nest, so she vented her anger on Wu Shi and Niu Shi. The next day, when the two of them came to pay their respects, they found an excuse to scold them.

Due to the distance between the eastern and western continents, although the official day was only the 6th of the next month, Mo Xiaoting and Yun Chujiu left with their guards in just two days.

Of course, manager Liu was also with them.

Manager Liu was very attentive throughout the journey. Yun chujiu stared at him with a faint smile and said, "Manager Liu, this is your territory on the eastern continent. Do you have any tricks up your sleeve to get back at me?"

Manager Liu was so scared that he almost fell to the ground, he shook his head like a rattle drum, "Miss Fangcao, even if I had a hundred guts, I wouldn't dare to be disrespectful to you! "Don't worry, when we arrive at the eastern continent, as long as you order me to do something, I will definitely do it beautifully for you."

"At least you are tactful. To tell you the truth, although I am not familiar with the eastern continent, wanting to kill you is as easy as flipping a hand."Yun Chujiu said with a smile.

In the eyes of manager Liu, Yun Chujiu's smile was the sneer of a devil. She swore an oath to express her loyalty.

"Alright, Alright, I was just joking with you. These are small gifts for this month. You can keep them to buy tea!"Yun Chujiu said as she handed over 2,000,000 high-grade spirit stones to manager Liu.

Manager Liu accepted the benefits and became even more attentive. Even the guards like Hei Shi were taken good care of.

Mo Xiaoting sighed in his heart. Fang Cao's slap was indeed effective.

Half a month later, the flying spiritual device arrived at the only land border between the eastern and western continents.

The guards from the various major powers of the eastern continent set up a checkpoint here. No matter who they were, they had to go through an identity check before walking across the border.
