

The Yun Family's Ninth Child is an Imp! Chapter 2095

After the old man reprimanded housekeeper Zhu., he walked over to Mo Xiaoting and smiled, "This must be brother Xiao Ting from Guang Shunzhi, right? I'm Mo Xiaoan from the fifth branch. I'm a few years older than you. You must have been tired from the journey. Come with me to get some rest."

Although Mo Xiaoan said these words with a smile, his smile was extremely fake. The smile did not reach his eyes. Mo Xiaoting was a wily old fox, so he could see everything clearly.

Just as he was hesitating whether he should jump down the mountain or not., yun chujiu suddenly howled, "Grandfather an, you have to make a decision for your niece! Housekeeper Zhu has bullied grandfather and me so badly. If it wasn't for our strong endurance, we would have been angered to death!"

Housekeeper Zhu was stunned!

Mo Xiaoan was stunned!

The onlookers were also stunned!

Oh God!

This was probably how it was to lie through your teeth, right?

Housekeeper Zhu's face was as swollen as a pig's head, and his neck was still bleeding. who was the one who was in such a miserable state?

Yun chujiu continued, "Grandfather an, when you saw housekeeper Zhu like this, you probably thought I was lying. Yes, I admit that I touched him a few times in anger, but the psychological trauma he caused to my grandfather and me can not be described with words!

It took my grandfather and I more than 20 days to travel hundreds of thousands of miles to our own home. In the end, housekeeper Zhu told us that fifth great grandfather did not want to see us, and the other masters did not have the time to pay attention to us. They even let us stay in the guest room! This, this is intolerable. Even if uncle could tolerate it, aunt could not tolerate it! This is too much of a bully!

We came here with a fire burning in our hearts. Now, it's time to pull out the cold! Grandfather, are you cold? I'm so cold that I'm Shivering!"

As Yun Chujiu spoke, she moved closer to Mo Xiaoting and shivered as if she was serious.

Housekeeper Zhu was so angry that he felt like he was about to faint. How many times did she gently touch him? Didn't your words hurt your conscience?

Just as housekeeper Zhu was glaring at Yun Chujiu fiercely.., mo Xiaoan stepped forward and gave him a tight slap on the face, "You unruly slave! Although Xiao Ting and Fang Cao are branches, they are still your masters. How could you treat them so slowly? This is unforgivable! Take them away and punish them with 50 strokes of the cane!"

Mo Xiaoting knew it was time for him to make his appearance, so he glared at Yun Chujiu, then, he said to Mo Xiaoan, "Brother Xiaoan, although housekeeper Zhu's words are a little inappropriate, my granddaughter is also reckless. I think we should forget about this matter."

Mo Xiaoan obviously did not want to punish housekeeper Zhu, hearing Mo Xiaoting's words, he took the opportunity to say, "Alright, today is a good day for us to welcome you. We can't let this slave ruin our mood. Let's go in first."

Mo Xiaoting nodded and followed Mo Xiaoan inside.

Manager Liu naturally could not follow them. After consulting Mo Xiaoan, he left to do other things.

Meanwhile, Yun Chujiu hopped behind Mo Xiaoting and Mo Xiaoan as she looked around.

The courtyard of the fifth house of the Mo family was very spacious. The decorations inside were exquisite and meticulous. It was obvious that the Mo family had a strong background.

“Brother Xiaoting, you just arrived today. Don’t go visit your father for now. You should rest and wash up first. When we welcome you tonight, we will meet father and the others,” Mo Xiaoan said politely.
