

## The Yun Family's Ninth Child is an Imp! Chapter 2097

When Chun Xiao and Chun Yue heard Yun Chujiu's words, their noses felt a little sour. They were the maids with the lowest status, which master wasn't High and mighty? If they wanted to fight, they would fight, and if they wanted to scold, they would scold. They didn't expect this Miss Fang Cao Not only to be generous, but also to think so carefully for them. She was really too kind.

The two of them avoided a few sentences. Seeing that Yun chujiu was determined to put away the spiritual stones, their attitude immediately became attentive.

Yun Chujiu was proud. This money was truly worth it. If she gave Steward Xie ten thousand spiritual stones, it would be a waste. If she gave it to the two handmaidens, they would definitely be moved beyond words.

This fellow always believed in one thing, and that was never to underestimate the small figures at the bottom. What was the saying? Water can carry a boat, but it can also overturn a boat. The power of the people was endless..

Yun Chujiu took a hot bath and sat on the swing with her notebook. She looked at the scene leisurely.

Chun Xiao and Chun Yue had thought that Yun chujiu would ask about the Mo family and the fifth branch after giving them so many spirit stones. They didn't expect Yun chujiu to not mention a single word about it, the two of them felt that Miss Fang Cao was really kind and understanding. She was the best master in the world.

Soon, it was time for dinner. Manager Xie came over to invite Mo Xiaoting and Yun Chujiu to the banquet.

Before the grandfather and grandson entered the banquet hall, they could already hear the sounds of laughter coming from inside. It was clear that there were quite a few people inside.

Mo Xiaoting whispered a few more words to Yun Chujiu, warning her not to cause trouble. Yun Chujiu nodded and gave Mo Xiaoting a reassuring look.

To be honest, Mo Xiaoting was a little worried. This little girl wasn't afraid of anything. Although she was able to resolve the situation in the end, the entire process was terrifying!

"Master Ting, Miss Fangcao has arrived!" A manager announced loudly.

The voices inside suddenly stopped and everyone's eyes turned to Mo Xiaoting and Yun Chujiu.

Although Mo Xiaoting was a little nervous, he had been through a lot, so his actions were quite normal. He glanced worriedly at Yun Chujiu who was half a step behind her. The corners of his mouth lifted slightly as he smiled sweetly. Only then did he relax.

There were about a dozen men and women in the main hall. Sitting in the main seat was an old man with white hair and white beard. He was most likely the uncle of the five families, the fifth elder of the Mo family.

Yun chujiu did not notice the old lady who was around the same age as the fifth elder. She guessed that the fifth elder's wife had already passed away.

Below him stood Mo Xiaoan and an old lady. Yun chujiu swept her gaze across the remaining people. Judging from their ages, they were most likely Mo Xiaoan's sons or grandchildren, it seemed that Mo Xiaoan did not have any biological brothers.

Mo xiaoting and Yun Chujiu first greeted the fifth elder.

"Xiaoting greets the fifth uncle!"

"Fangcao greets the fifth great grandfather!"

The fifth elder's long eyebrows twitched. He did not immediately let the two of them stand up. Instead, he picked up his teacup and took two sips of tea before saying, "Stand Up!"

Yun chujiu cursed in her heart. Bah! What kind of pretense was this? !

Mo xiaoting and Yun Chujiu greeted Mo Xiaoan and the old madam. After exchanging a few pleasantries, they called the younger generation over to greet mo xiaoting while Yun Chujiu greeted them again..

After a while, the two of them finally finished greeting each other.
