

The Yun Family's Ninth Child is an Imp! Chapter 2099

After the welcoming banquet, Mo Xiaoting was helped back to the listening wind pavilion by a servant while Yun Chujiu was accompanied by manager Xie.

Seeing that Yun Chujiu had returned, Chun Xiao and Chun Yue eagerly helped Yun chujiu wash up before taking turns to be on night duty outside.

Yun Chujiu was a little tired from the whole day. She took out her voice transmission talisman and sent an Feng a message before going to bed.

Mo Xiaoan had already summoned manager Liu in the afternoon. After some questioning, manager Liu had already boarded Yun Chujiu's ship, so he naturally knew what to say and what not to say.

After interacting with Mo Xiaoan, Mo Xiaoan felt that although Mo Xiaoting was smart, his knowledge was limited. Mo Fangcao was also a reckless little girl. It seemed that Guangshunzhi did not do anything to his business.

The next day, Yun Chujiu woke up and had breakfast. She then went to greet mo xiaoting, "Grandfather, today is only the third day of the Lunar New Year. There are still three days until the sixth day. Let's go out for a walk. Who knows, we might find some business opportunities!"

Mo Xiaoting laughed, "What you said sounded nice. I'm afraid you want to go out and play! I Won't go. I'm going to discuss some matters with your grandfather. You can bring your maid with you. Be careful and don't cause any trouble."

After Yun Chujiu agreed, she asked Chun Xiao and manager Xie to inform her. Afterwards, she led Chun Xiao out of the fifth house.

"Chun Xiao, what's the most fun and lively place in Fu Hu City?"

"Miss Fang Cao, Our Mo residence is in the east side of the city. There are many shops in the west side and there are even some vendors that are very lively," Chun Xiao said excitedly. She rarely had the chance to go out, so she was naturally very happy.

Thus, Yun Chujiu brought Chun Xiao to the west side of the city.

As Chun Xiao had said, there were all kinds of shops on both sides of the street. There were also many pedestrians on the street. Shopaholic Xiao Jiu had come online!

"Shopkeeper, that red set of clothes, that Green set... Yes, I'll buy all of them!"

“Shopkeeper, I’ll buy all the high-grade defensive spirit tools in your shop! Do you have any immortal tools? Okay, I’ll buy all the immortal tools too!”

“Do you have any talismans above level 10? If you do, I’ll buy them all!”

Chun Xiao was dumbfounded. It was the first time she had seen someone buying things like this. This was not buying things, this was simply squandering!

Soon, all the merchants in the West City knew that the goddess of wealth’s grandmother had come. They all moved closer to Yun Chujiu. “Miss, the talismans in our shop are of good quality and are cheap. Come and buy them from us!”

“Miss, don’t listen to his nonsense. The Talismans in our shop are the most affordable!”

“Miss, you’ve bought quite a lot of talismans. You’d better come to our shop to have a look at the Rouge powder! You look so beautiful. If you use some of the Rouge Powder in our shop, you’ll definitely be even more beautiful and moving!”

..

Yun Chujiu felt that she was like the flesh of a monk. These people wished they could come up and bite her. She smiled and said to the crowd,

“Everyone, don’t be anxious. I still have a lot of things to buy!” “I’m sure you all know that I’m a branch of the Mo family in the Western continent. I’m here to attend the wedding banquet.” “There’s a reason why I bought so many things. Ah, forget it. I Won’t say anymore. I Won’t say anymore.”

Yun chujiu covered her mouth as if she was shocked to realize that she had let the cat out of the bag. She quickly covered her mouth and did not say anything.

The curiosity of the onlookers was immediately aroused. One by one, they stretched their necks and shouted, “Miss, it’s not proper to talk halfway. Why did you buy so many things?”
