

The Yun Family's Ninth Child is an Imp! Chapter 2119

Mo Xiaoting glared at Yun chujiu, "Fang Cao, how can you meet the great elder just because you want to? Although everything you've said is correct, this path is not feasible."

"Grandfather, why don't we make a bet? After breakfast the day after tomorrow, you can bring me to the main room. I promise that the great elder will meet me," Yun Chujiu said with a smile.

Mo xiaoting noticed that Yun Chujiu sounded very confident. In addition, the temptation of returning to the east continent was too great, so, he gritted his teeth, "Alright, if you can't see the first elder the day after tomorrow, then you should behave yourself from now on. Don't cause any more trouble."

After Yun chujiu nodded in agreement, the grandfather and grandson chatted as they ate. In the afternoon, Mo Yongfei accompanied them to the third branch of the Mo family.

Just as Yun Chujiu expected, the third branch treated Mo xiaoting and Yun Chujiu in the same way as the second branch. The two of them did not see the third elder either.

As Mo Xiaoting and Yun Chujiu bade farewell, Mo Xiaogui only asked them to stay for a short while. His attitude was very perfunctory.

The next morning, the grandfather and grandson were treated the same way in the fourth branch of the Mo family. They did not see the fourth elder either. After chatting for a while, they left and returned to the fifth branch of the Mo family.

When no one was around, Yun Chujiu whispered, "Grandfather, I'm a smart girl. Otherwise, these stingy people would not give us a single cent. We've suffered a huge loss!"

Mo Xiaoting was naturally uncomfortable being treated so slowly. He was even more concerned about Yun Chujiu's plan, "FANGCAO, will you really see the first elder tomorrow?"

"Grandfather, don't worry! Which of the things I promised you haven't been fulfilled? However, when we arrive at the main room tomorrow, you will have to listen to some sarcasm and receive a few looks of disdain. You have to bear with it," Yun Chujiu blinked, although Mo Xiaoting was a Sly Old Fox, they had common interests and they needed to maintain a good relationship.

"That's not a big deal. But, grandfather still feels that the first elder might not be willing to see you. If the first elder doesn't see you, don't mess around. Do You Hear Me?" Mo Xiaoting warned worriedly, this Fang Cao was fearless. There was no way to predict what she would do in the next moment.

After Yun Chujiu made her promise, she left Mo Xiaoting's courtyard and returned to her new moon pavilion.

As soon as she entered the courtyard, she heard Mo Fangjiao say impatiently, "Mo Fangjiao, where have you been? Why have you only just returned?"

Yun Chujiu was dumbfounded. Was Mo Fangjiao Crazy? What the hell did she have to do with where I went? Was she addicted to my insults?

Although she was complaining in her heart, her face was full of smiles as she said, "Sister Fangjiao, why are you so free today? Why are you looking for me?"

Mo Fangjiao glared at her and asked, "I heard that you fooled Mo Fangzhu Yesterday?"

Yun chujiu shook her head. "Sister Fangjiao, how would I have the guts to fool sister Fangzhu? I was just joking with her, but she got angry."

Mo Fangjiao showed a gloating look on her face. "Others have praised her for her good looks, wisdom, demure and demure, but she was only so-so. She was actually fooled by you."

Yun chujiu blinked her eyes and did not say anything. It seemed that not only did the older generation of this family fight fiercely, even Mo Fangjiao and the others did not get along with each other on the surface.

The corners of this fellow's mouth curled up. Good, very good. This baby loves such chaotic situations the most. It's really fun!
