

## The Yun Family's Ninth Child is an Imp! Chapter 2121

Mo fangjiao rambled on and on. The main content was that Mo fangbing was not to be trifled with and she advised Yun chujiu not to seek humiliation.

However, instead of persuading her, it was better to say that she was provoking her. When Mo Fangjiao saw that Yun chujiu could not wait to go and fight with Mo fangbing, she was very pleased. HMPH, she was just a country bumpkin., the last time at the wedding banquet, she had been careless. Otherwise, this country bumpkin wouldn't have been able to make her suffer.

After a while, Mo Fangjiao left the new moon pavilion satisfied.

Yun chujiu looked at Mo Fangjiao's back and smiled. It was not bad to have such a smart ass assistant.

The next day, after breakfast, Mo Xiaoting sent a maid to inform Mo Xiaoan that Yun Chujiu did not know much about alchemy, so he wanted to bring Yun Chujiu to meet the first elder.

Coincidentally, Mo Fangjiao came to pay her respects to Mo Xiaoan and Old Madam Wang, mo Fangjiao told Mo Xiaoan about what happened last night, "Grandfather, I don't think Mo Fangcao is going to meet the first elder. After all, the first elder can't possibly meet her. She must have been urged by me to find trouble with sister Fangbing and lied to her grandfather to ask him about the pills."

Mo Xiaoran stroked his beard. He felt that Mo Fangjiao's words made sense. How could he meet the great elder so easily? Mo Xiaoting was too easy to fool. He had actually been fooled by that little girl, Mo Fangcao.

But, it didn't matter if they ran into a snag. That way, they would be even more loyal to their fifth wife. If Mo Fangcao and Mo Fangbing were to fight, that would be even better. Mo Xiaoran had previously said that he was going to teach him a lesson. Let's see how he would have the face to lecture others this time.

"Fangjiao, you've done well. You've really improved," Mo Xiaoran praised.

Mo Fangjiao's face turned red as she said a few words of modesty in embarrassment. However, her heart was bursting with joy. This country bumpkin had brought her a lot of benefits.

Meanwhile, Mo Xiaoting and Yun Chujiu had already arrived outside the Mo family's main house.

Since they had already been here once, the grandfather and grandson did not need someone from the fifth house to lead the way. Instead, they walked straight to the front door of the Mo family's house.

The guards from the main house had seen Mo Xiaoting and Yun Chujiu before, so they were quite polite. After bowing, they went in to report.

Mo Xiaoquan couldn't help but frown when he heard the guards' report. What was Guang Shunzhi doing here again? Was it because he didn't eat last time that he wanted to make up for it this time?

Mo Xiaoquan pursed his lips. He was indeed a small-minded person. But, since he was already here, he couldn't just shut the door. He suppressed the impatience in his heart and allowed his son, Mo Yongzhi, to invite the grandfather and grandson to the living room.

"Big Brother, I have a presumptuous request for you this time. Fang Cao has been stuck with a difficult alchemy problem for the past few days and she had to beg me to bring her here to meet uncle. What do you think?" Mo Xiaoting braced himself and said the lines that Yun Chujiu had prepared for him.

Mo Xiaoquan couldn't help but frown. This Mo Xiaoting was really arrogant. Did he think that anyone could meet his father just because they wanted to? Did he think that just because his father gave the little girl a pill furnace, he would treat her differently? He really didn't know his own limits.

As Mo Xiaoquan thought of this., his expression darkened as he said, "Brother Xiaoting, it's not that I'm unreasonable. It's just that father is very busy and old. If Fang Cao has any questions regarding alchemy, I can help her find an alchemist to answer them. Don't worry, our house will take care of the binding."
