

## The Yun Family's Ninth Child is an Imp! Chapter 2122

Mo Xiaoting's face turned red. He could naturally tell that Mo Xiaoquan was taunting him. If Yun Chujiu had not warned him beforehand, he would have left with a flick of his sleeve.

"Big Brother, you've misunderstood me." "Our Guangshunzhi can still take the responsibility. It's mainly because this fangcao girl has already set her eyes on uncle. I have no choice," Mo Xiaoting said with a sigh.

Yun chujiu knew it was time for her to go on stage, so, she smiled and said, "Grandfather Xiaoquan, you may not know this, but after I return home, my mind is filled with the teachings of the Great Elder. I just want to see the great elder one more time. Otherwise, I won't be able to sleep or eat in peace. It's like I've lost my soul."

The corners of Mo Xiaoquan and Mo Yongzhi's eyes twitched. This Mo Fang Cao was really thick-skinned. But, it was understandable. She must have wanted the great elder to have a favorable impression of her, she might even be able to stay in the eastern continent. Her ambition was quite high.

Mo Xiaoquan's expression turned even colder, "Fangcao, I will pass on your filial piety. As for the pill, forget it."

Mo Xiaoting wished he could find a hole and hide in it. He had said that it wouldn't work, yet this Fangcao had said that it would work. But, now that she had been rebuked, what was she going to do? !

Yun chujiu sighed, "Alright, since grandfather Xiaoquan has said so, as a junior, I can't force it. However, I have refined some pills for great grandfather to strengthen his body and bones. I hope grandfather Xiaoquan can help me pass them on to him as a show of filial piety."

Mo Xiaoquan felt disdain in his heart, but he forced a smile on his face, "Fang Cao's filial piety is commendable. Don't worry, I will definitely pass them on to father."

Mo Xiaoting received Yun Chujiu's glance. Although he was a little confused, he still said, "Big Brother, Fang Cao and I still have some other matters to attend to. I Won't disturb you any longer. We will take our leave now."

Mo Xiaoquan did not try to convince him to stay for a while, then he let the two of them leave.

After leaving the house, they arrived at a relatively remote corner. Mo Xiaoting's face was dark as he said unhappily, "Fang Cao, didn't you say that the first elder would definitely meet you? Why Did You Change Your Mind Midway?"

"Grandfather, of course we have to put bait first when fishing. We are here to put bait. Don't worry, the big fish will bite sooner or later. Don't worry.". "Let's go and have a good stroll. You Can't stay in the mansion all the time."

Yun chujiu did not care about Mo Xiaoting's dark expression. He was very confident. She was now a cash cow, so the most Mo Xiaoting could do was give her some face. He wouldn't do anything to her.

As expected, Mo Xiaoting glared at her and did not say anything else. The grandfather and grandson arrived at West City.

As soon as the merchants in West City saw Yun Chujiu, they all smiled and said obsequiously, “Miss Fangcao, you’re here?”

“Miss Fangcao, come visit our silk shop!”

“Miss Fangcao, our snack shop has a new batch of delicious food. Come in and have a look. I’ll give you a 10% discount.”

..

Mo Xiaoting was dumbfounded. But, he quickly thought of the gift and understood. These people must have thought that Fang Cao was here to purchase more food, that’s why they were so enthusiastic.

Yun Chujiu had always been good at acting. She smiled as she chatted with everyone. Not long after, she became friends with the shopkeepers. It was as if she was one of the shopkeepers on the street.
