

## The Yun Family's Ninth Child is an Imp! Chapter 2126

"You, you, I must tear your stinky mouth apart today!" Mo Fangjiao was so angry that she was about to explode!

"Sister Fangjiao, why are you so anxious? I was just asking. You weren't a pig or a little bastard in your previous life. Could it be that you're a little donkey?" Yun chujiu stood up and hid behind mo fangbing as she said with a smile.

Mo Fangjiao was so angry that her hands were trembling. "Sister fangbing, get out of the way. I must teach this country bumpkin a lesson today!"

Mo fangbing stretched out her hand to stop mo fangjiao and said coldly, "Fangjiao, I am the master today. If you want to fight, go back to your fifth room and fight again."

Mo fangjiao gritted her teeth but still did not dare to go against MO fangbing. She glared at Yun Chujiu fiercely. "Mo Fangcao, if you have the ability, don't go back to your fifth room today. Otherwise, I will not let you off!"

After saying that, Mo Fangjiao ignored Yun chujiu and left angrily.

Mo fangbing gave a look to a maid who chased after her. On the surface, she escorted Mo fangjiao out of the room, but in fact, she was monitoring her.

Mo fangbing glanced at Yun Chujiu who was chewing on the fruit and said coldly, "Mo fangbing, you deliberately drove mo fangjiao away, right?"

Yun chujiu took two bites of the spiritual fruit and said with a smile, "Sister Fangbing, why do you say that?"

Mo fangbing coldly snorted, "I admit that you are indeed very smart, but your little tricks are useless in front of me. "I don't know what kind of bewitching soup you gave great-grandfather. Not only did you reward him with an alchemy furnace for the first time, but you even asked me to find a reason to call you to the manor. "I'm warning you, don't have any improper thoughts. You're just a junior from a branch. My Great-grandfather won't value you."

Yun chujiu casually tossed the fruit core behind her, then, she took out a handkerchief and wiped her hands. "Sister Fangbing, you're really thinking too much. I'm just here to ask for some advice on alchemy. "Moreover, you're the eldest great-grandfather's great-granddaughter. Are you afraid that a little girl like me, who has five servings, will compete with you for favor?"

Mo fangbing's thoughts were exposed by Yun Chujiu, the cold expression on her face could not be maintained. "Mo fangbing, I don't have time to argue with you. Remember what I said today. If you anger me, I won't Be Like That Idiot Mo Fangjiao, who will only scare you."

Yun Chujiu's face was still smiling. "Sister fangbing, I have a very good memory. I will remember every word you said. By the way, I think the spirit fruits and pastries taste good. Can I take them with me?"

Mo Fangbing's face stiffened. Then she glared at Yun Chujiu and said coldly to the other maid, "Take her to my great-grandfather's courtyard."

Yun chujiu never knew what embarrassment was. She put all the food on the stone table into her storage ring and jumped down from the pavilion.

Before she left, she looked back and smiled. "Sister Fangbing, thank you for your warm hospitality! Don't worry, I'm really just here to ask about alchemy. We will meet often in the future. Prepare more delicious food for me!"

Mo fangbing looked at Yun Chujiu's back and was so angry that she smashed the stone table into pieces. She knew that she had lost the first round!

Because she was so angry with Yun Chujiu, but Yun chujiu was not affected at all. Her composure was still not strong enough.

"Sister maid, how should I address you?" Yun chujiu smiled and tried to get close to the maid.
