

The Yun Family's Ninth Child is an Imp! Chapter 2136

After Yun Chujiu grumbled, she raised her hand and released a group of piglets with spiritual power. When the piglets were about to dissipate, the purple piglet appeared!

However, it used its butt to face Yun Chujiu, obviously still in a bad mood.

Yun chujiu pouted. "I'll count to three. If you don't turn around, I've decided to change to a spiritual beast! Anyway, which wolf, tiger, or leopard isn't stronger than a pig like you? One, two..."

Before Yun Chujiu could say three, the purple piglet turned its head around. It was obviously cowardly.

"Humph! At least you know what's good for you! Don't you see what kind of person your master is? He actually dared to quarrel with me. I think you deserve to be taught a lesson! However, I'm a magnanimous person and can reluctantly forgive you. On account of you saving my life, I'll give you a nice name!" Yun Chujiu said while stroking her chin.

The purple piglet flapped its big ears and wagged its small tail. It was obviously looking forward to Yun chujiu giving it a name.

The four animals in the spiritual beast bag looked at each other. That silly pig was going to suffer! The black-hearted owner was useless at giving names. He definitely wouldn't be able to give it a good name.

Yun chujia touched her chin and scratched her head. Finally, her eyes lit up. "You'll be called Da Hua from now on!"

The purple piglet was so angry that it could barely maintain its body. Da Hua? Are you sure that this is a name that a spiritual beast should have? Besides, where did she spend it? She was clearly purple, alright?

"Why? Are you not satisfied? Then you shall be called Little Fatso? Little Fatso? Little Piglet..."

The purple piglet disappeared with a puff! Did this black-hearted master choose a name? One was worse than the other!

Yun chujia coughed guiltily and said, "Since there is no objection, I will take it as your acquiescence. From now on, you will be called Da Hua. I think this name is quite good."

The Little Black Bird in the spirit beast bag asked weakly, "Master, that Spirit Piglet is clearly purple. Why did you name it da Hua?" Xiao Heiniaoh asked

"Why? ! It can't be called Da Zi, right? Da Hua is easier to say, so I'll just call it da Hua!" Yun chujia pouted and said.

The little black bird now felt that its name was quite high-end compared to da Hua. Poor da Hua, I'll light a candle for you! Xiao Heiniao thought!

While Yun Chujiu was mumbling, she heard someone crazily pounding on the door outside the courtyard. "Open the door! Open the door! Mo Fangjiao! Get Out Here!"

Yun chujiu curled her lips. It turned out that this silly girl, Mo Fangjiao, had come looking for her.

"Chun Xiao, open the door and let sister Fangjiao in." Yun chujiu walked to the door and said to Chun Xiao who was in a side room.

Chun Xiao and Chun Yue were supposed to take turns to be on night duty outside Yun Chujiu's bedroom, but Yun chujiu found an excuse to not let them be on night duty, so the two of them had to follow Yun Chujiu's arrangements.

Chun Xiao opened the door, and Mo Fangjiao walked in angrily. "Mo Fangjiao! You're good, you actually dare to lie to me?"

Yun Chujiu said with a smile, "Sister Fangjiao, why do you say that? When have I ever lied to You?"

“You still dare to Quibble? Didn’t you say that you were going to cause trouble for sister Fangbing? Why did you become a lackey when you got there? Also, you actually dared to call me a pig and a little bastard in my previous life. You deserve to die!” Mo Fangjiao was about to explode from anger when she recalled what happened in the morning.

Yun chujia waved her hand at Chun Xiao. “Chun Xiao, you can leave first. I’ll have a private talk with sister Fangjiao.”
