

## The Yun Family's Ninth Child is an Imp! Chapter 2137

After Chun Xiao went out, Yun chujiu closed the door and said mysteriously, "Sister Fangjiao, you really misunderstood me! I was just acting!"

"Acting? What kind of acting?" Mo Fangjiao asked in confusion.

"Sister Fangjiao, you also know that Sister Fangbing not only has high spiritual power, but her maternal family is also a second-class family. If we openly oppose her, will we have a good ending? "So, I'm just acting to make her think that we don't have a good relationship. Then, I'll think of a way to get close to her. Only then will I have a chance to make things difficult for her!" Yun Chujiu said slyly.

Mo fangjiao snorted coldly. "Humph! Who are you lying to? I don't believe it!"

"Sister Fangjiao, how would I dare to lie to You? I came back after having lunch and dinner in the main room today. Do you know why? "Isn't it because I fawned over Sister Fangbing? "I'll often go to the main room to wash my face. When the time comes, I'll definitely find a suitable opportunity to embarrass sister fangbing. Just wait for My Good News!"

Mo fangjiao frowned. Although she felt that what Yun Chujiu said made sense, she still felt that something was not right. However, she could not figure out what was wrong.

Mo Fangjiao felt that her brain was not enough, so she decided to change the topic. "HMPH, let's put this matter aside first. If I find out that you lied to me, I will not forgive you! I heard that you were attacked when you came back? What Happened?"

"Sister Fangjiao, you don't know. You scared me to death! When I came back, I met a masked man..."yun chujia told her the "Truth".

"Since you fainted, how did you not die? Did Someone Save You?"Mo Fangjiao asked in confusion.

"I don't know either! And there was such a deep pit on the ground. If it was someone who saved me, then the person's spiritual power must be very high."

"From what you mean, could it be that it was not someone who saved you?"Mo Fangjiao asked in surprise.

"Sister Fangjiao, you also know that I have a heavenly thunder spirit root. Although this heavenly thunder spirit root is not tolerated by the Tian Dao, I have always been living well! "Perhaps, not only will I not be killed by the Tian Dao, perhaps the Tian Dao is actually looking out for me.

"It might be that the earth dragon suddenly turned over, or some other strange phenomenon, so the person who killed me was scared away. Sister Fangjiao, I didn't tell anyone about this. You mustn't tell anyone else!"Yun Chujia said mysteriously.

Mo Fangjiao's eyes flashed. "Yes, I won't tell anyone. It's getting late. You should rest early!"

After saying that, Mo Fangjiao walked out of the courtyard quickly, looking a little impatient.

The corners of Yun Chujiu's mouth curled up. This divine assistant was really useful. She would probably go and report the situation to Mo Xiaoan right now.

The attack today was originally a bad thing, but now it had to be turned into a good thing. It was just the right time to reverse the situation with the Heavenly Thunder Spirit Root. Who said that the heavenly spirit root would be wiped out by the Tian Dao? The Heavenly Spirit Root was the favored child of the Tian Dao! At least in My Yun Chujiu's place, I am the favored child. Even if I don't get favored, I will get favored. Just Pamper Me, just Pamper Me!

Yun Chujiu's guess was right. Mo Fangjiao came out of the Broken Moon Pavilion and directly went to see Mo Xiaoan.

Mo Xiaoan and his two sons were discussing the attack on Yun Chujiu today. When they saw Mo Fangjiao coming over, they were a little unhappy. "Fangjiao, why did you come here so late at night instead of resting?"
