

## The Yun Family's Ninth Child is an Imp! Chapter 2140

During this period of time, Yun Chujiu's right hand would feel a burning sensation every now and then. At first, Yun Chujiu found it hard to bear it and needed a lot of buckets of water to relieve it.

Later on, she might have become numb and would be relieved after soaking in the water for a while.

Yun Chujiu took out a bucket of water from her storage ring and put her right hand in it. Soon, a bucket of originally cold well water began to heat up.

This fellow also knew how to make fun of himself. He said self-deprecatingly, "This is not bad. At least I don't need to boil the bath water. I can wait for this bucket of water to cool down a little before I take a bath."

After a while, the temperature of the water dropped. This fellow took off his inner clothes and took a bath in the bathtub.

At this moment, the door of the outer room opened. Di beiming's voice came, "Little Jiu, I'm here to see you."

Originally, the door was inserted from the inside, but this was too easy for di beiming. He broke the door bolt with one slap.

Yun chujiu heard the door and wanted to put on her clothes. At the very least, she had to cover herself with a blanket. However, when she heard di Beiming's voice, she blinked her eyes and did not move. She continued to bathe happily.

When di beiming entered the bedroom, he saw a big bathtub in the middle of the room. Yun Chujiu's long hair that was as black as ink and her shoulders were faintly discernible. Her small face was slightly flushed due to the heat, she looked at him with a smile.

Di beiming felt that the blood in his body was boiling and he did not know what to say. He just stared at Yun Chujiu in a daze and did not say anything.

Yun chujiu lifted a handful of water and splashed it on di Beiming's face. "Hey! Silly Goose, are you stupid?"

Di beiming finally regained his senses. His face turned red and he said in embarrassment, "You should be more careful in the shower! Fortunately, I'm the one who came in. What if someone else came in?"

Yun chujiu pouted and said, "I locked the door properly. Besides, I heard your voice, so I didn't get up. If it was someone else, I would have used the sudden rupture talisman to blast them."

Di beiming did not hear what Yun Chujiu said because his full attention was on Yun Chujiu's red lips and her half-exposed shoulder.

If it were not for his willpower, he would have eaten Yun Chujiu apart and eaten her whole.

Di Beiming forced himself to turn around and said through gritted teeth, "You, put on your clothes first. We can talk later."

Yun Chujiu knew that if the gun went off, she would be the one to suffer. After all, her menarche had never come. If they really had sex, it would definitely hurt her body.

Yun Chujiu put on her clothes and said with a smile, "My idol, I'm dressed. Turn around!"

Di Beiming did not turn around. Instead, he said, "Put away the bathtub and then clean up the floor."

Yun Chujiu did not suspect him. She put away the bathtub obediently. Even the water on the floor was wiped clean with a cloth. Then, she sat on the bed and said, "My Prince Charming, it's alright now. Come over!"

Di Beiming did not turn around. Instead, he said dryly, "Well, it's a little hot in that room. It's cooler here. I'll go over in a while."

Yun chujiu was very smart. She immediately felt that there was something wrong with this place. With a whoosh, she jumped in front of di beiming and discovered the reason for di beiming's abnormality.

It turned out that when di beiming heard the rustling sound of Yun chujiu putting on her clothes, he could not help but outline Yun Chujiu's figure. Naturally, he had an indescribable reaction..
