

## The Yun Family's Ninth Child is an Imp! Chapter 2141

Di beiming saw Yun chujiu looking down and shouted angrily, "Turn around!"

"What's there to be embarrassed about? ! Besides, it's not like I haven't seen it before. What's the point of being stingy? !" Although this guy was saying all sorts of things, he was still a little embarrassed. However, if you have the ability, don't blush. If you have the ability, don't turn around. This was a typical case of a thief with a heart but no guts.

For a moment, the atmosphere in the room was very subtle. This was naturally the most suitable time to have sex. However, Yun Chujiu's physical condition did not allow it, so the two of them did not know what to say.

The most unlucky one was of course guai Cao. Yun chujiu cursed it in her heart. If guai Cao was not in Yun Chujiu's dantian, Yun Chujiu would have tortured it to death thousands of times by now.

Di beiming forced himself not to look at Yun Chujiu. However, his mind was still filled with erotic images. His body became even hotter. He wished he could swallow Yun chujiu right away.

Yun chujiu coughed dryly. "That Prince Charming, let's change the topic. A few days ago, I saw Big Brother Mermaid in the thousand-foot mountain poison miasma forest."

When di beiming heard the words 'Brother Mermaid', his attention was immediately diverted. His face sank. "Why is that mermaid in the Immortal Yuan Continent?"

"I don't know either. At that time, there was a poisonous spring. After I absorbed all the poison inside, brother mermaid floated out. However, it wasn't brother mermaid himself. It should be his divine sense. "In the end, he wanted to tell me to be careful of something or someone, but his divine sense dissipated before he could finish speaking." Yun chujiu told di beiming what happened that day.

Di beiming pondered for a moment. "According to what I know, there was an ancient evil formation. It divided a person's divine sense into several parts and then used all kinds of poison to suppress it. Over time, the divine sense would be corroded by the poison. "This kind of evil formation is usually not easy to use because it's too difficult to set up, unless it's used to deal with some people or demonic beasts with special parts of the body."

Yun Chujiu was stunned at first, then, she said angrily, "Damn it! Which Old Bastard hates the mermaid brother so much? This method is too sinister. Why didn't he just kill the mermaid brother directly, but tortured him like this?"

"There are two possibilities. One is that there is something special about the mermaid's body, and there is no way to kill it. The other possibility is that he wants to control the mermaid's spiritual sense and use it for himself." Di beiming said with a serious expression, he felt that the mermaid man's matter probably involved a shocking secret.

"Damn it! It's really too damn! When I find that old bastard, I will definitely help brother mermaid deal with him! Oh right, Prince Charming, how did you suddenly become so knowledgeable and talented?" Yun chujiu asked with starry eyes.

“Maybe it’s because a part of my seal has been broken, so I know more things. However, I still don’t know anything about the strange grass in your Dantian. But, don’t worry, I will definitely think of a way to help you get rid of the Guai Cao.”Di beiming said with certainty.

The guai Cao in Yun Chujiu’s dantian was trembling non-stop. It’s over, it’s over. After this damn gigolo’s seal is completely broken, it will be the time for me to lose my life. What should I do?

Pah! Pah! Pah! His seal should last for at least 10,000 years. No, it should never be broken!

“Yes, my Prince Charming, I believe in you! Right, look at this thing in my palm. What the Hell Is This? I don’t need anything else to boil water now. I can just use my right hand to boil water.”Yun chujiu pouted and extended her right hand in front of di beiming.
