

The Yun Family's Ninth Child is an Imp! Chapter 2142

Di beiming looked down and saw a cluster of bright red flame on Yun Chujiu's fair palm. It was very eye-catching. "This... little jiu, what's going on?"

"Don't mention it!" "Originally, I wanted to take advantage of it. Who would have thought that there was actually such a damn thing locked inside the stone wall?" "I clearly killed it in my spiritual sense. I don't know how it got into my palm!" Yun Chujiu said angrily.

"Tell me the whole story, the whole story." Di beiming frowned. Since it could heat up, it meant that this flame pattern was not as simple as the pattern.

Yun Chujiu told him the whole story, "My Prince Charming, what is this damn flame? I have already let the spiritual pig devour it. How come it hasn't died yet?"

Di beiming sighed. "Little Jiu, I don't know if this is a blessing in disguise or a blessing in disguise. This flame has a great origin. It should be the ten-thousand-year-old fire marrow that everyone couldn't find."

Di beiming was interrupted by Yun Chujiu, this guy asked excitedly, "What? Ten-thousand-year-old fire marrow? Hahaha! Isn't it the ten-thousand-year-old fire marrow that can melt the ten-thousand-year-old black iron? So I can make ten thousand years of black iron puppets, Ha Ha ha, when the time comes, who else? Who Else?!"

“Small nine, I haven’t finished talking, you don’t Happy Too Early.” Di beiming simply can not bear to look straight, to a bit of sunshine on the brilliant said is this guy?

“AH? What meaning?” Yun chujia is a bit muddle-headed.

“Although the fire marrow in your palm is 10,000 years old, the implement spirit of the fire marrow has been killed by you, so now the fire marrow in your palm has no intelligence.” Qi Ling said.

“In other words, you’re not its master at all. You’re just its temporary shelter. Unless it has intelligence again, you can only use the ten-thousand-year-old fire marrow as you like after you subdue it.”

“What the hell? After all this time, this is just a useless thing? My life is so bitter! One or two of them came uninvited, but none of them were useful!”

“That damned Xiao Hei said that he was a black phoenix, but I think he’s just a big crow! “That Xiao Hei rat is a stone-eating rat. In reality, other than digging holes, he doesn’t know shit!

“That Xiao Hong is always hugging the bones of the nine-tailed fox and gnawing on them. But now, it has only grown four tails!

“That Xiao Mogu is even more detestable. When I first saw it, it was awe-inspiring. But Now? It was simply a weakling! Damn it, it even asked me to put a pile of soil in the spirit beast pouch and place large cloves of garlic on it all day long!

Wu Wu, and the three in My Dantian. Each of them was more shameless than the last. They occupied my Dantian and did not come out. The most important thing was that they were completely useless! That damned dog tail caused me to be unable to eat meat even if I wanted to. I could only touch you to satisfy my craving, i’m really too miserable!” Yun chujia hugged di Beiming’s Snot and tears. Her hands were not idle as she continued to touch him.

Di beiming felt that a certain part of his body was about to explode. He could not bear it anymore. He carried Yun chujia horizontally and pressed her on the bed.

Yun chujia saw the deep look in di Beiming’s eyes. This guy was afraid. It was over! He had gone too far! The gigolo was going to force himself on her!

What should she do?

Although she wanted to have sex, her body was not strong enough. What if it would affect her ability to give birth to monkeys in the future?

“Well, my Prince Charming, emptiness is lust, lust is emptiness. Calm Down, calm down! “Don’t judge me by my good looks. In fact, I’m just a little fairy who absorbs people’s blood essence. W-what are you doing? Don’t take my clothes off...”
