

## The Yun Family's Ninth Child is an Imp! Chapter 2143

Yun Chujiu was really scared this time. The inner garment on her body was torn to shreds by di beiming, and only the inner garment was left on di beiming.

This fellow deeply understood two sentences. He had brought this upon himself, and another sentence was, if he didn't do it, he wouldn't die!

Di beiming's deep gaze swept across Yun Chujiu's body, and Yun Chujiu couldn't help but tremble slightly. She was both embarrassed and afraid, she stuttered, "Look, what are you looking at? ! I haven't... I haven't had any waves yet. Look, what are you looking at?"

Di Beiming's Adam's apple bobbed. "Even though I don't have a big bun, I can make do with a small steamed bun."

"You, you are Shameless! Sob, you only know how to bully me! Do you think I want a small steamed bun? It's still a damn guai Cao. Sob, you all bully me!" This fellow was both embarrassed and angry. He simply howled again.

"Alright, stop crying, I won't touch you." Di beiming sighed, picked up the blanket and covered Yun chujiu's body, while he lay on the other side.

How could he not care about what Yun Chujiu's body really wanted? He just wanted to scare Yun chujiu so that she would not always fan the flames, but not put out the fire, which would make him want to explode.

"Wu Wu, but you don't like me as a little dumpling." This guy was crying even harder.

"Sigh! Don't say that you are a little dumpling, you are. I like tangyuan too." Di Beiming's face turned red after he said that.

Yun Chujiu was stunned. She lifted the blanket and looked at her chest. It was really not as big as a little dumpling. It was really a tangyuan, and it was a mini tangyuan! !

This fellow cursed Gou Weiba a few hundred times in anger before hugging di beiming and acting coquettishly, "Prince Charming, I knew you were the best!"

This fellow was really big-hearted. He did not think that he was naked now and was hugging di beiming just like that. Unless di beiming was a eunuch, how could he bear it? !

Di beiming felt that he had dug a deep hole for himself. On one hand, his body was so hot that it was about to explode. On the other hand, he could not hurt his sweetheart's rationality. He was on the verge of breaking down!

Di beiming's forehead was covered with fine beads of sweat. "You, you put on your clothes first!"

Yun chujiu finally realized that something was wrong. She picked up the blanket and covered her face. Damn it, she was too ashamed to see anyone!

This guy was embarrassed and angry. He cursed Gou Weiba again!

"Damn it! Damn Gou Weiba! If it wasn't for you, would I have had to endure so much? Such a perfect Prince Charming is placed in front of me. I can only see but not touch him. It's so painful that I want to die!"

Di beiming listened by the side and thought to himself, this line should be mine, right? You endured so much? I'm about to explode!

Yun chujiu cursed for a while before taking out a set of undergarments from her storage ring. She hid under the blanket and changed into it. Only then did she get out from under the blanket.

Yun Chujiu's face was blushing. She was really as beautiful as a peach blossom, especially her two red lips. Di beiming couldn't resist anymore and kissed her.

Although he could not eat all the black stuff, it would be good to collect a deposit first.

Just as Di Beiming's lips covered Yun Chujiu's lips, the voice transmission talisman in the storage ring started to vibrate. He originally did not plan to respond, but someone knocked on the door, "Your, your majesty, someone is coming!"

An Feng's heart was broken. He knew that His Majesty's Xiao Hei must have written him a debt, but he had no choice. If someone came and barged in, it would be bad!
