

The Yun Family's Ninth Child is an Imp! Chapter 2147

The next morning, Yun Chujiu opened her eyes. The corner of her mouth curled up. A New Day had begun!

Xiao Heinia, who was inside the spiritual beast bag, could not help but sigh inwardly. He had to admit that this black-hearted master was really tenacious. He would not give up or retreat no matter how big the difficulties were.

Yun chujiu had not even washed up when Mo Fangjiao ran over. Her face was covered with meticulous makeup, and the clothes on her body were obviously carefully selected.

"Fangcao, why are you only getting up? Hurry Up!" Mo Fangjiao urged impatiently.

Yun chujiu waved her hand. "Sister Fangjiao, we can't go too early. Otherwise, Sister Fangbing will find a reason to chase you out. You Won't even have the chance to meet the Zhu family. "Why don't we go a little later? We just happened to bump into each other. Sister Fangbing can't Chase US out, right?"

Mo Fangjiao was stunned. She felt that what Yun Chujiu said made sense, and the smile on her face became much more sincere. "You're really a little smart. Alright, I'll listen to you."

Two hours later, Yun Chujiu brought Mo Fangjiao to the Mo family's main house.

Yun chujiu had been coming to the main house almost every day these days, so the guards in the main house knew her. Originally, the higher-ups could have just let Yun Chujiu in, but seeing that Yun Chujiu was bringing Mo Fangjiao with her., the guard could only say respectfully, "Please Wait a moment, my two ladies. I'll go in and report."

"Go ahead. Just say that Sister Fangjiao and I are here to pay our respects to grandfather Xiao Quan and grandmother Tian,"Yun Chujiu said with a smile.

Everyone in the main room's living room was discussing the matter of receiving the Zhu family's people. After hearing the report from the servants, Mo Fangbing's mother, Zhu, curled her lips.

Zhu Shi thought to herself, these two little girls were not paying respects to her father-in-law and mother-in-law. They clearly knew that her family's people were coming over, so they came. In her dreams, it was not their turn to arrange the marriage.

"Let them in!" Mo Xiaoquan and old Madam Tian were both well-versed in the ways of the world. They could naturally think of anything that Zhu Shi could think of. Although they were unhappy, they could not shut the two juniors out. Moreover, this marriage was not something that the two little girls could snatch away just like that.

Yun Chujiu and Mo Fangjiao entered the living room and naturally greeted them. The people in the main house were neither cold nor warm, especially mo fangbing whose eyes were filled with disdain.

Yun chujiu was a thick-skinned person and did not take it seriously at all. Although Mo Fangjiao felt uncomfortable all over, when she thought of the glory of marrying into a second-class family, she could not care less about being embarrassed.

Therefore, even though Mo Xiaoquan had already raised his teacup, the two of them still had no intention of leaving.

At this moment, a servant came over to report that the Zhu family had arrived!

Mo Xiaoquan and the Tian family were elders, so it was naturally not good for them to go out to welcome them. Thus, the Zhu family brought Mo Junkun and Mo fangbing out to welcome them.

After a while, a wife who was about the same age as the Zhu family came in with two maids and a young man.

When Yun Chujiu saw the young man's appearance, she was shocked. F * ck! Wasn't this the Diao Shaoyan she met in Thunder City back then? Back then, he even fought with her over the courtyard. What was more hateful was that when they were about to leave Thunder disaster valley, this Diao Shaoyan even asked his subordinate to push her.

Very good, it's not too late for little jiu to take revenge. The opportunity is here! We'll see!

The moment the young man entered, his gaze turned towards Mo Fangjiao. When he saw Yun Chujiu, he was also stunned. "Smelly girl, why are you here?"
