

The Yun Family's Ninth Child is an Imp! Chapter 2151

The next morning, Zhu Jinghu indeed sent someone to deliver a letter to Mo Fangjiao, asking her to meet him at the teahouse.

Mo Fangjiao naturally went to the appointment excitedly, while Yun Chujiu hopped to the Mo family's main house.

After this fellow entered the main house, he did not look for the great elder first, but came to see Mo Fangbing instead.

Mo Fangbing naturally did not have a good expression when she saw Yun Chujiu. "HMPH! What are you doing here? Why didn't you pimp for Mo Fangjiao Today?"

The corner of Yun Chujiu's eyes twitched. This Mo Fangbing's words were really sarcastic, but her description was quite appropriate!

"UM, sister Fangbing, can you let them out first? I have something important to tell you." Yun Chujiu said mysteriously.

Mo Fangbing frowned and let the maid go. She also stood guard outside and did not allow outsiders to come close. Then, she asked Yun Chujiu, "What do you want to tell me?"

“Sister fangbing, although we didn’t get along very well, I admire you from the bottom of my heart. Not only are you beautiful, but you also have superb spiritual power. The most important thing is that you have a clear mind. We can be considered to have a mutual appreciation.”Yun chujui put on a few hats for Mo fangbing before getting to the main topic.

“Humph, cut the crap. What do you want to say?”Although Mo Fangbing said this, she was still a little proud in her heart.

“Sister fangbing, I’ll just say it directly. Do you think that I brought sister Fangjiao here yesterday because I didn’t have good intentions? Did I deliberately come here to disrupt your marriage?”

“Humph! Do you know yourself?”Mo fangbing said coldly.

“Sigh!”Yun chujui let out a long sigh, then, she continued, “Sister Fangbing, you really misunderstood me! The reason why I brought sister Fangjiao here is firstly because sister Fangjiao requested it herself, and secondly, I also want to help you test your fiancé’s character.

In the end, TSK TSK, Sister Fangbing, don’t you feel wronged? Based on your qualifications, which part of You Isn’t better than Sister Fangjiao? That Zhu Jinghu turned a blind eye to you, but he just had to fawn over sister Fangjiao. I really feel that it’s not worth it for you!”

Yun Chujiu's words hit Mo Fangbing's heart. She hadn't slept for almost a night. On one hand, she hated Mo Fangjiao and Yun chujiu for disrupting the situation, and on the other hand, she hated Zhu Jinghu for being blind.

"Sister fangbing, actually, there's something I don't understand. With your qualifications, isn't it too unfair for you to marry that ignorant and incompetent bastard zhu jinghu? Not to mention a second marriage, even being the main wife would be extremely unfair! With his appearance, one look and you could tell that he was a womanizer. Moreover, he looked like he loved to cause trouble. It's not that I'm cursing him, but with his smug look, he might be beaten to death one day. At that time, you'll have to be a widow!

Sister Fangbing, think about it. You just married and you became a widow. Then, you really became a widow. Are you willing to die just like that?"

Yun chujiu kept talking about being a widow as if she was brainwashing her. Mo fangbing's face turned pale and her hands trembled slightly.

"You, you're talking nonsense! Cousin Jing Hu would not treat me like that. Moreover, the Zhu family is a second-class family. They would not let anything happen to cousin Jing Hu. Besides, what can I do with the words of the matchmaker and the orders of my parents? !"Mo fangbing defended herself.

Yun Chujiu was secretly happy. It seemed that Mo fangbing had always been against this marriage, which made it even easier to handle!

“Sister Fangbing, of course I have to listen to the orders of my parents. However, you know that there’s a fire pit in front of you, yet you still jump into it. Then you’re a fool! If you’re not happy, can your parents be at ease?”

“Sister Fangbing, you’re a smart person. You must know that what I said is true. Other than his family background, that Zhu Jinghu has no redeeming qualities at all. Marrying a good girl like you is like a good cabbage being eaten by a pig., “Are you really willing to be eaten by a pig?”
