

## The Yun Family's Ninth Child is an Imp! Chapter 2156

After the first elder handed the jade box to Mo Xiaoquan, he said to Yun chujiu, "Fang Cao Girl, find the book that records the difference between these herbs for your grandfather."

"Okay!" Yun chujiu answered crisply and started to rummage through the bookshelf.

Actually, this guy could find it in an instant, but he still pretended to rummage through it for a while before handing a book to Mo Xiaoquan.

Mo Xiaoquan looked at the records on it and picked up the leaf to sniff it. Indeed, there was a faint fruit fragrance. His expression immediately became dejected. Such a good opportunity had slipped away. He reckoned that Fang Bing's marriage could only be abandoned, what Bad Luck!

First Elder gave him a few more instructions before Mo Xiaoquan took the jade box containing the seven-leaf reed and left dejectedly.

The great elder shook his head. Not only did he not have a vision, but he also did not know how to hide his worries. Fortunately, he was still alive, or else it would really be difficult for the house to keep its position as the head of the family.

The great elder knew Mo Xiaoquan's character, so he simply lied to him to avoid giving himself away.

Yun chujiu blinked her eyes and thought of that silly girl, Mo Fangjiao, she then said to the great elder, "Great Elder, I reckon that grandfather Xiaoquan will come to look for you to discuss sister Fangbing's marriage, so I won't be an eyesore here. I'll practice alchemy at home tomorrow and Come Back the day after tomorrow."

The great elder nodded. There were indeed some words that were inconvenient for Yun Chujiu to hear. "Alright, you can go back."

Yun chujiu bowed and then left.

After Yun Chujiu returned to the fifth room of the Mo family, she found that Mo Fangjiao had not returned yet. She was probably still flirting with that Zhu Jinghu on the street.

It was not until evening that Chun Xiao reported to Yun chujiu that Mo Fangjiao had returned.

Yun chujiu curled the corners of her lips and decided to save the silly girl who had lost her way and at the same time teach that bastard Zhu Jinghu a lesson.

Yun chujiu brought Chun Xiao to Mo Fangjiao's courtyard. After the maid passed the message, Yun Chujiu entered the house.

Mo Fangjiao's face was full of pride. When she saw Yun chujiu, she was unprecedentedly enthusiastic. "Sister Fangcao, you're here? Xia Lian, hurry up and serve the pastries, tea, and spirit fruits."

Yun chujiu inexplicably thought of the "Pimp" that Mo Fangbing had mentioned. The corners of her eyes twitched. After the maid served the pastries and the like.., yun chujiu said, "Sister Fangjiao, I want to tell you something. Can you let them go out first?"

Mo fangjiao found Yun chujiu pleasing to the eye. She immediately let the maids go out and asked, "Sister Fangcao, what do you want to tell me?"

"Sister Fangjiao, have you been with Zhu Jinghu All Day?"

Mo fangjiao blushed and nodded. "Yes, let's go for tea first, then go shopping, and then go for dinner..."

Mo fangjiao recounted her schedule for the day, and her words were filled with pink bubbles.

"Sister Fangjiao, what are your plans?" "You heard it too. The Zhu family's main goal is to obtain the seven-leaf hollow grass, so they will definitely marry sister fangbing. Do you plan to be Zhu Jinghu's concubine?" Yun Chujiu decided to turn the pink bubbles into bubbles.

When Mo Fangjiao heard Yun Chujiu's question, her expression turned a little ugly. "Brother Jinghu told me today that he won't marry Mo Fangbing. He will marry me. He said that Mo Fangbing is a wooden beauty and he doesn't like her."

"Oh, that's what he said! Then, Sister Fangjiao, do you believe what he said? Do you really think he will go against Madam Pan for You?" Yun chujiu asked with a smile.
