

## The Yun Family's Ninth Child is an Imp! Chapter 2158

Mo Fangjiao blushed. She felt that Yun Chujiu was just trying to scare her. Brother Jing Hu seemed to be sincere to her.

The two sat down and drank some tea, Zhu Jinghu sighed and said, "Sister Fangjiao, you know that my mother wants me to marry Sister Fangbing, but I like you! "I told my mother about the matter yesterday, but she wouldn't agree no matter what. I'm so angry!"

Mo Fangjiao's heart sank. It was exactly the same as what Mo Fangcao had said. Could it be that he really had that kind of plan?

Mo Fangjiao squeezed out a smile. "Brother Jinghu, then, then what do you think we should do? Why don't we just forget about it? Even if we're fated, we can't do anything about it."

Zhu Jinghu's face revealed a pained expression. "Sister Fangjiao, how can you say that? Do you know how much your brother's heart aches? The only person I want to marry is you!"

Mo Fangjiao was very touched in her heart. She felt that she had judged the heart of a gentleman with a petty heart. Just as she was about to console Zhu Jinghu., she heard Zhu Jinghu say, "Sister Fangjiao, right now, we only have one way to get my mother to agree, and that is to cook rice before it's cooked. When the time comes, my mother will have to agree, and she will have to agree even if she doesn't agree."

Mo Fangjiao's hands were tightly clenched in her sleeves. It was exactly the same as what Mo Fangjiao had said. Was he really planning to take advantage of her and force her to become his concubine?

Zhu Jinghu saw that Mo Fangjiao didn't say anything, but didn't have any intense reactions. He felt that there was a possibility.., he suppressed his joy and said, "Sister Fangjiao, don't worry. I, Zhu Jinghu, am definitely not someone who will abandon you. As long as you become my person, I will definitely marry you openly. I, Zhu Jinghu, can only marry you."

Mo Fangjiao recalled Yun Chujiu's instructions and just lowered her head without saying anything.

Zhu Jinghu could not help but be overjoyed when he saw the situation, he whispered, "Sister Fangjiao, I will be leaving the morning of the day after tomorrow. Perhaps the marriage will be settled tomorrow, so we have to hurry. There is an inn not far from here. Why don't we?"

Mo Fangjiao still had a trace of hope in her heart, so she did not brush her sleeves and leave. She said in a low voice, "I, I will go and book a room first. Then, I will send someone to tell you which room. You, you can go there."

After saying that, Mo Fangjiao lowered her head and left hurriedly, looking extremely embarrassed.

Zhu Jinghu could not help but feel happy. Although this Mo Fangjiao was beautiful, her brain was really simple. She was so easy to get her hands on. Even if she married into a concubine in the future, it would be very easy to get rid of her.

Mo Fangjiao left the Teahouse, her heart was in a mess. Although she felt that what Yun Chujiu said was very likely the final result, she still wanted to verify it.

Xia Lian whispered into Mo Fangjiao's ear, "Miss, Chun Xiao just gave me a note."

Mo Fangjiao took the note and saw that it said, "Wang Family Inn, second floor, Room No. 3."

Mo Fangjiao took a deep breath and brought Xia Lian to the Wang Family Inn. They went straight to room No. 3 on the second floor. Probably because Yun chujiu had told them beforehand, no shopkeeper or waiter came to stop them. The two of them entered the room smoothly.

"Go and tell Zhu Jinghu the address of this place. Don't say anything else, or I won't let you off," Mo Fangjiao said to Xia Lian with a gloomy face.

Xia Lian did not dare to say anything else. She went out of the room to the teahouse and told Zhu Jinghu the address.

Zhu Jinghu could not wait to rush to the Wang Family Inn. Just like before, he arrived at room number three on the second floor without any obstruction. There were top-quality dishes and wine on the table in the room. Mo Fangjiao sat at the side with a red face.
