

The Yun Family's Ninth Child is an Imp! Chapter 2161

Zhu Jinghu's San Jiaoyan follower had fed him medicine and injected his spiritual power, finally waking Zhu Jinghu up.

"Young master, you, What's wrong with you?"

Zhu Jinghu was about to say something when he remembered the female ghost's warning, and his face revealed a terrified expression, he shouted fiercely, "Shut up! Is this something you can ask? ! Hurry up and buy me the flawless muscle pills. If there's a scar on my face, I'll kill you!"

San Jiaoyan's lackey didn't dare to say anything more and quickly bought two bottles of flawless muscle pills.

After applying the flawless muscle pills on his wound, Zhu Jinghu felt a little more at ease. He didn't dare to go back to the Mo family's main house for fear that his mother would press him. After thinking for a while, he came up with an idea.

"Wang Sheng, send someone to give this letter to my mother." Zhu Jinghu wrote a letter to Pan Shi. The gist of it was that he met a friend and went on a sightseeing trip together. He would return home in a few days and let her return to the Zhu Family First.

When the Pan family received Zhu Jinghu's letter, they were naturally furious. However, they could do nothing about it. The next day, they also left the Mo family's main house in a hurry. Naturally, their marriage with Mo Fangbing was not settled.

..

Mo family's fifth house, waning Moon Pavilion.

Mo Fangjiao had an awkward expression as she thanked Yun Chujiu, "Mo Fangjiao, thank you so much for this! These food are all for you."

Yun Chujiu said with a smile, "Sister Fangjiao, we are sisters. There's no need to be so polite! Oh right, don't give me this chestnut cake next time. I don't like it. You should give me more lotus cake and spirit fruit. It's best if you give me some candied fruits."

Mo Fangjiao..

The people of the Mo family suddenly realized that not only had Mo Fangjiao won the Great Elder's favor, but her relationship with Mo Fangbing and Mo Fangjiao had also suddenly improved.

One had to know that Mo Fangbing was famous for being cold and aloof in the Mo family. Although Mo Fangjiao was a little better, she still had an arrogant look on her face. How did they become good friends with Mo Fangbing? It was really strange!

Yun chujiu was very proud of herself. She had gained a lot from this matter with the Zhu family.

First of all, after this matter, the great elder recognized her even more.

Secondly, she had eased her relationship with Mo Fangbing and Mo Fangjiao. Furthermore, it was very likely that she would tie up with Mo Fangbing in order to obtain a chance to further her studies.

Finally, not only did this guy teach Zhu Jinghu a lesson, but Zhu Jinghu's storage ring also had a lot of inventory. This guy had made a small fortune again.

Although this guy had played tricks and wasted the remaining shadow escape talisman from last time, Zhu Jinghu still had an unused shadow escape talisman in his storage ring. This guy had made a profit!

Although Yun Chujiu was proud of herself, she had a real problem in front of her: the time limit for the temporary pass.

She and Mo Xiaoting had already been on the eastern continent for a month. Considering the time they would need to travel, the two-month time limit for the temporary pass was about to expire. If she didn't want to be punished, she had to return to the western continent as soon as possible, or, the Mo family could immediately get her and Mo Xiaoting two more temporary passes.

Either way, she and Mo Xiaoting had to return to the border between the eastern and western continents to undergo inspection. Otherwise, they would be put on the wanted list for illegal registration.

The next morning, Yun Chujiu came to see the great elder and told him about the temporary pass.

The great elder had yet to decide whether to include Guangshun branch in his family, so he decided to get Yun Chujiu another temporary pass. As for Mo Xiaoting, there was no need for him to stay for the time being. He could return to the western continent and wait for further notice.
