

The Yun Family's Ninth Child is an Imp! Chapter 2163

When the hunchbacked leader heard Yun Chujiu's words, his face was filled with confusion and bewilderment.

Although it was a little inappropriate for the little girl to compare him to a B * stard, this was the first time she had heard of someone who carried the universe on his back. Could it be that he was really a person with great luck?

When Yun Chujiu saw that the hunchback did not scold her, she knew that the hunchback was willing to listen to such words, hence, she continued with a smile, "When the heavens bestow a great task on a person, they must first work hard on their will, strain their muscles and bones, and starve their skin. This hunchback of yours is used by the heavens to temper your will. As long as you are tenacious, sooner or later, you will stand out and amaze everyone!"

When hunchback was tricked by Yun Chujiu, he immediately felt that the hunchback on his back was not a hunchback. It was simply a witness to amaze everyone. subconsciously, he straightened his back and felt that his future was bright. The blood in his body was boiling, he wished that he could immediately do something spectacular.

When Yun Chujiu saw that he was almost done fooling her, she began to reveal her fox tail, she lowered her voice and said, "My lord, this is just a small token of appreciation. Please keep it well. You must not reject it. I am investing it in advance. When you soar to the sky, please take care of me."

Hunchback was very surprised when he saw the spirit stones that Yun Chujiu turned over. He did not expect that Yun Chujiu would be so generous. She actually gave him a million high-grade spirit stones in one go. This little girl was really generous.

Hunchback couldn't believe it. This little girl gave him one million high-grade spirit stones just because she thought highly of him? Could it be that he was really lucky?

"Master, if there's nothing else, I'll leave first. If we're fated, we'll meet again!" Yun chujiu turned around and prepared to leave.

When hunchback saw that Yun chujiu was really going to leave, he finally believed that Yun chujiu really didn't have any other requests. She just wanted to express her sincerity.

A warm feeling welled up in the hunchback's heart. He had lived for so many years, but this was the first time he had been admired and admired so much. This feeling could not be described with words. He felt that if he did not do something, his conscience would definitely hurt, thus, he said, "Little girl, Wait a moment."

Yun chujiu turned her head and asked doubtfully, "Sir, what orders do you have?"

Hunchback felt even more apologetic. Listen, listen to how respectful the little girl was to him. "You" and "Orders" really made him feel very sincere!

"Little girl, is there anything that you need my help with?" Hunchback asked eagerly.

“Well, I don’t have anything to trouble you with for the time being. Thank you very much!” Yun chujiu said very politely.

Hunchback felt even more apologetic. It was as if he didn’t Help Yun Chujiu with something, he felt that he was unforgivable!

At this moment, Yun chujiu frowned, she seemed to have remembered something. “Sir, I remember that I really do have something that I need your help with! But, forget it. It seems to be a little difficult, so I won’t trouble you!”

Yun chujiu was about to turn around and leave when her hunchback’s eyes lit up, “It’s no trouble! It’s no trouble! What exactly do you want?”

“This, this, alright. Since you’ve asked, then I’ll be thick-skinned and say it. Isn’t the Mo family’s temporary pass limited to one person for two months? However, now that I’m the only one left, can you count the rights of these two people on me?”

This means that I have four months to stay, so I don’t have to come over to renew it. After all, I’ve wasted a lot of time on the road. Please don’t make things difficult for me. If it’s difficult, just pretend that I didn’t say anything!” Yun Chujiu said with an embarrassed look.
